HAMILTON SWISS CLUB

On Saturday, July 27, we celebrated our National Day at the Eureka Hall. Soon after 8 pm the tables were fairly full and we had a good crowd of about 110 people. To begin with the club shouted everybody a free drink to celebrate the Cowbell victory. This soon created a great 'Stimmung'. It is obvious the club is very proud to be the holder of the Cowbell for this very first time.

The President welcomed everybody and shortly afterwards the dance group performed two traditional Swiss dances. Many thanks to all the young, enthusiastic participants who put in several hours of practice, especially those who did it for the first time this year. Following this Herbert Staheli performed some 'Fahneschwinge', which seemed to be much appreciated by all, some even asking for an encore. Throughout the evening the band, Rural Delivery, entertained us and the dance floor seemed to be full all the time. Again their efforts to play some Swiss music was much appreciated by the crowd, resulting in several spontaneous sing-songs.

About 10 pm the committee served supper, consisting of a cheese board as entree, then ham, wienerli, coleslaw, potato salad and French bread for the main meal. Later in the evening coffee was served with the usual selection of delicious cakes.

Many thanks to the committee for all their hard work in making this a very successful function, and many thanks to all those who attended and supported their club.
