PAST EVENTS

We held our first **Fondue Evening** at the Kaukapakapa farm this year, on Saturday, 18 September. Most people arrived around 4 o'clock in the afternoon, just in time to enjoy a very beautiful sunset. All in all there were about 30 of us there, so everyone enjoyed a good yarn and a wander round, while preparations took place for a most delicious meal. There was plenty of room and very cosy in the "Stübli", especially when the roaring fire of the coal range kept us warm, and heats up the coffee water. There is also a beautiful painting adorning the far wall, painted and generously donated by our talented artist, Yvonne Bühler. A clever carpenter quaintly mounted it on the wall so that it features like a window through which one looks straight onto the Matterhorn.

We had the honour to welcome our youngest member, one week old Petrina Hess, who enjoyed her first Swiss Club attendance and thanks to her graceful performance, was duly accepted in the circle. Congratulations to Dominic and Sandra. Then we sat down and enjoyed the most delicious Fondue! It was well prepared and perfectly concocted by Vreni Pfenniger, and devoured very eagerly by all. After a fruity dessert and coffee with rumballs, there was plenty of time to enjoy each other's company and a glass of wine.

A heartfelt thanks goes to all who contributed to a very successful evening, especially Vreni and Willi Pfenniger who, as always, were

there to set up the facility and prepare the meal. Thank you also to Edith Hess who made the rumballs, to Roman Priore of the Swiss Delicatessen for the donation of Wienerli, and to Yvonne for the leftover you-know-what out in the back of the car!

A great evening was had by all.

Our **Singing Group** had a full attendance of nine at our last meeting. We are assessing all the new material that the travellers to Switzerland and other members have collected, and we are having a good time practising the new tunes, as well as polishing the old, well known ones. We do have a few more spaces for singers, if anyone is interested. Our next meeting will be on Tuesday, 2nd November, at 8pm. For the venue please call Trudi, 376 4923.

We sadly announce the passing of **Ulrich Luginbühl**, on Tuesday, 12 October 1999. To his partner, Maria, and family and friends, we extend our deepest sympathy. On behalf of the Auckland Swiss Club and the Swiss Society. BL
(an obituary will follow next month)

Can you help ??

We would like to put up a basketball hoop at the farm so that the children can practise their basketball skills while the parents socialise. If anyone perhaps has one lying around and not being used, the club would be very grateful to have it. Please call Ernst Gfeller on 483 3940.

Many, many thanks!!

FONDUE EVENING

This year the fondue evening was held on the last weekend in September, just prior to daylight saving so that we all still had the feeling it was winter. The band was again the "Sound of Switzerland" from Auckland which made sure all the guests were entertained from start to finish. It wasn't long before the dance floor was full and appetites were increased. The fondue was served soon after and everyone seemed to enjoy this treat, together with the homemade bread and Aufschnitt. After dinner Peter Arnold treated everyone to some delightful items together with the rest of the band. What a treat and good to see everyone have a laugh. During one of the dance breaks the medals and trophies were presented to the winners. Congratulations to all the lucky ones as well as all the participants. Again a delicious selection of homebaking was served for supper together with the usual "coffee schnapps". Many thanks to the Taranaki Campervan-

ners for driving all that way just to attend one of our functions. Good to see you all and we hope next year some people from other clubs do the same. Also many thanks to the committee and helpers (especially the dish washers) for all the hard work.
