had a real family feeling about it. Great to see that the next generation, New Zealand born, has a taste for such a typically Swiss dish!

The committee had worked hard all afternoon, and everything went like a charm: The Glühwein was better than ever, the music was pleasing and added to the relaxed atmosphere, the salad was crisp and rich, the fondue tasty - and served quickly and without a hitch, and again we heard comments that it was "the best fondue ever". It was certainly very good! The clubhouse was not as crammed as at other events in the past, which meant that members and friends could walk around easily, refresh old friendships and make new friends.

Unfortunately, our president Roland Schütz missed out on this fondue; we wish him a speedy recovery.

A big thank you:

- to the embassy for a most welcome liquid contribution
- to Max Fuhrer for choosing and grating the cheese
- to all the committee members for working so hard and making it a success and for still smiling at the end
- to the many members and friends who helped doing the dishes and tidying up
- to the crew that went over the next days and did the final tidying up.
