Tuesday, 1 August, Bonfire

The Swiss farm again hosted our Bonfire Celebration on the 1st of August. We're the first to see the new day and the fire to light our own not so little Light on a hill. Along with The Swiss Ambassador, David Vogelsanger more than 30 Swiss enjoyed a fine evening, good food, conversation and finally a very large fire, crackling of Manuka. The Ambassador gave a brief address in which he discussed the origins of the Bonfire signals and also read through the original charter for the Swiss Confederation, giving those at the event an insight into this important, foundational document for Switzerland.

Sunday, 6 August, National Day Celebration

Following the bonfire night, The Swiss farm hosted near to 100 people for the National Day Brunch on Sunday the 6th. The Farm again turning on a fine crisp day and it was great to see so many families with young children in attendance. The children's play area and flying fox had a good work out for most of the day.

The attendees were treated to a variety of entertainment while enjoying each others company, and a great meal. Thank you to the Yodellers, Ladies Choir, Emil and Conrad again for making our day a very special day indeed.

Society medals were presented later in the day and the Air-rifle competition Cowbell (Trophy) as well. Let's not forget the delicious food, various helpers put together. Thank you all for a fantastic day! We had space for many more and hope that next year we will see even more club members attending this enjoyable day.

To mix things up we hosted the Pub Night at Snow Planet. It was a great night for all. We enjoyed socialising and catching up with old and new. The atmosphere was definitely a bit different and while not a typical Swiss Apres Ski, with the eyes at a certain angle it was pretty close. Thanks all for a great night.

National Day Celebrations were held on Sunday 30th July at the brightly decorated Matangi Hall. We had about 100 people attend, many in their traditional Swiss costumes. After a warm welcome by the President Herbert everyone queued up for lunch which consisted of home-made Sauerkraut – thanks to Vitus and his team, potatoes, speck, ham, frankfurters and cabanos. After lunch raffle tickets were sold and this was again very popular thanks to many very generously donated prizes. Everyone sang the national anthem, both in German and English and then it was time for the children's lampion parade. Following this we were treated to a very special yodel solo by Judith Mouron – what a treat! Then it was time for coffee and cakes and again the committee and helpers put on a great selection of home-made baking. We hope you all had a good journey home and enjoyed the relaxed atmosphere and company of fellow Swiss. Many thanks to all the helpers – always a big task to wash all the dishes and tidy everything up! Many hands make light work. Also many thanks to the Embassy for donating red and white wine for this occasion! This was much appreciated by everyone and for those who don't drink alcohol the club offered something non-alcoholic. AZ

Forthcoming Events

5 November – Family Walk. Details will be published in the next club newsletter. If you can suggest a walk please talk to someone in the committee.

3 December – Family Christmas Party. This function will be held at the Newstead School and further details in the next newsletter and the Helvetia.

The logo for the Taranaki Swiss Club features the word 'Taranaki' in a stylized, slightly irregular font above the words 'Swiss Club' in a similar font. The 'S' in 'Swiss' is particularly large and decorative. The entire logo is set against a dark rectangular background.

Past Events

On the 29th of July we held our Swiss National Day celebrations at our club house in Kaponga. Everyone was welcomed with a glass of Swiss white wine kindly supplied by the Embassy of Switzerland; it was a wonderful gesture that everyone appreciated. Grateful thanks to our tickets sellers, especially Kathi Appert who has a huge list from the New Plymouth area ... we really appreciate you helping us out, Kathi!!! Thanks also to Heidi Werder, Erna, Zeno (working diligently before he took off to Switzerland!), Leo Zehnder and Walter who rang members in other areas of Taranaki ... you're all wonderful!!! We then listened to the speech of the President of the Swiss Confederation; Mrs Doris Leuthard which was very interesting ... some of us really missed hearing the church bells at the commencement of the speech!!! Our hall looked beautiful with many 'Swiss' red and white decorations, including balloons, streamers and canton flags. Due to our President Othmar and Vice President Zeno being on holiday in Switzerland, our past President Walter Seifert kindly agreed to being the Master of Ceremonies ... thanks so much Walter ... you did a terrific job ... you haven't lost the knack!!! The Singing Group sang the Swiss National Anthem followed by three lovely songs ... thanks Myrtha for helping out

as the group had quite a few members absent!!! The Jassen, Keglen and some shooting trophies were handed out: The Jassen cup was this year won by Heidi Seifert with Albi Schuler runner-up and Berta Hughes third; the keglen winners were – ladies Heidi Werder with Marlies Hebler runner-up, men's winner was Othmar Hebler who only won by the narrowest of margins (three points) to Mark Kiser. The highest score on any given night for the ladies was Heidi Werder (53 points) and for the men was Daniel Potter (53 points) ... have you been giving tips to your son-in-law Heidi??!!!! Mary Ann Whakatutu and Vonnie Ngatai were presented with their cups and medals from the Anniversary Shoot when they were unable to attend. We were so very fortunate to have Conrad (and his lovely wife Anna!) down from Auckland to help Aaron and Bernhard play music ... you guys are so very talented and we're so lucky to have you!!! Leo and Marianne helped a little ... but huge thanks must go to Conrad, Aaron and Bernhard for helping to make this evening such a success ... we're so fortunate to have such a huge musical talent base in Taranaki when Othmar, Zeno and Peter Canziani are away we still have such wonderful entertainment!!! Once again we had a terrific tombola with Erna, Heidi and Silvia organising prizes ... our grateful thanks to Ruedi Kull for donating a beautifully hand-carved wooden chair and to the Swiss Deli for their generous sponsorship. Many thanks to Lisette who rolled hundreds and hundreds of tombola tickets ... we really appreciate your time and patience!!! Many thanks to everyone who purchased so many tickets ... we appreciate your wonderful generosity!!! We hope that you all had some luck!!!????!!!! A delicious supper was held with a great selection of fine meats, cervelas, warm savouries, cheese boards, asparagus rolls and a huge variety of sweets to tempt all the taste buds!!! Many, many thanks to Heidi Werder, Erna Zimmermann, Doreen Zehnder, Sonja Potter, Margaret Bishop, Silvia Luond, Vrene Kull, Lisette Benkert and Marianne Drummond for their amazing culinary skills in creating such an exquisite supper ... I certainly only heard favourable comments ... so THANK YOU ALL VERY, VERY MUCH!!!!

It was wonderful to see Chris and Carol Chamberlain from Ohaupo and the Gammeter family who came all the way from Wanganui for the evening ... we really appreciate the extra effort you made to come to the Swiss National Day celebrations in Kaponga, and hope that you

Baking and movie Day - Sunday 16 July

We decided to meet at the club house on Sunday 16 July for a baking and movie day.

Oli brought two very good family movies and the attendees voted between Pete's Dragon and Moana. Pete's Dragon won, although not by much. It turned out most kids had seen Moana at least twice already.

The Zopf making did not turn out as smoothly as expected. We had some difficulties turning the gas oven on, but with the help of Peter on the phone we finally managed. Apparently we may even have inadvertently fixed it! The initial plan was to make the dough, let it rest, braid, and bake it there but we ran out of time and everybody took their Zopf home to put in their own oven. We still used the club house oven to help the dough raise though.

Overall, a somewhat hectic and very enjoyable afternoon for all.

National Day Dinner - Saturday 29 July

Roland and his team cooked a delicious dinner, with tender meat, gravy carrots, brussel sprouts and red cabbage.

A big thanks to the Embassy for supplying the wine, which was very much enjoyed!

Many members brought a lot of very tasty cakes that we ate with ice-cream. and Nespresso coffee.

Everybody was impressed by the President's speech, up until the end when we realised that it had come without the music for the anthem. That caused a little bit of confusion until our Chief Engineer (!) saved the day by digging the music from last year's recording.

Bonfire - 1st August

This was the second popular event (with the Family Day in February) that we had to cancel this year. Everybody was deeply disappointed. Wellington weather, you are letting us down this year!

Raclette- Saturday 2 September

Thank you Peter and the many members who helped make this event a success! Roland was away but Peter held the fort and also magically sorted all the plugging issues (some ovens come with Swiss plugs, oops!) and got us some real Swiss raclette cheese from Moore Wilson. Another highlight of the day was the black Doris plum sorbet that Rahel made for dessert.

Jassen

As Trudi had just arrived back from Switzerland, the September Jassen session was postponed.

Otilia Paulina Walker
(nee Engelberger)

26 January 1922 – 18 June 2017

Otilia, a name she was proud of, but she was affectionately known as Tilly (daughter of the late Arnold Josef and Anna Rosa Engelberger-Sattler). Aunty Tilly was very much a family person and this saw her and Uncle Tom return often, over the years, to Taranaki from the Bay of Plenty for birthdays, weddings and family visits. Family gatherings were always a great time as there was always plenty of Swiss music, cousins, chatter and laughter, often around our kitchen table, reminiscing and catching up. Aunty Tilly was very much a lady and a wonderful role model to her whole family. She held high morals and kept high standards, always beautifully dressed and well spoken. She had a great way of making you feel special, greeting you by name and giving you a big hug and kiss, taking interest in what you were doing and how you and the family were. Aunty Tilly was talented, always busy with sewing, knitting, painting and craftwork. She also played the piano and accompanied Pop on his schwyzerorgelli.

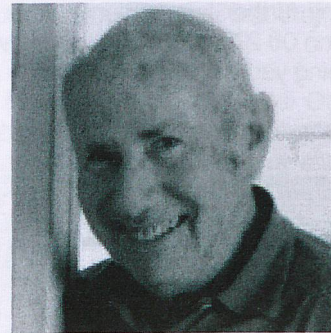

The Swiss Club and community held a very special place in her life and she enjoyed attending Swiss picnics and dances in Taranaki which always saw her and Uncle Tom on the dance floor. Together they enjoyed their travels to many parts of the world including a family trip we made with them to Switzerland. This trip was filled with many happy memories.

Aunty Tilly lived a long and full life, with Uncle Tom a good part of that at her side. They were not just husband and wife; they were best friends and a great team, always together. They have a beautiful family that now includes grandchildren and great-grandchildren, of whom they were immensely proud.

Our families loved her dearly and she will be sadly missed.

Therese Muggeridge (FitzGerald)

The Taranaki Swiss Club and the Swiss Society of New Zealand extend their deepest sympathy to Tilly's family.

Bruno Stutz

26 April 1932 – 18 May 2017

Bruno was born in Zurich on the 26th of April 1932 the oldest of four children; he had two brothers and one sister. They endured difficult times during the depression in Zurich and when he was eight years old his parents bought a small farm in Winkel near Bulach, canton Zurich. He undertook an apprenticeship as an electrician for four years, biking to and from work every day, two hours each way! On top of that he worked ten hour days! When time allowed he still helped his parents on the farm.

In 1954 he married Maya Zumbuhl in Affoltern am Albis, canton Zurich, and they were blessed with three boys (Rolf, Bruno and Peter), all born at the same maternity hospital as their dad. In 1964 Bruno and Maya immigrated to New Zealand with their three young sons. Through a family connection and before embarking on the long voyage, they contacted Mrs Amstalden in Hawera, New Zealand. Bruno and Maya always lived in Hawera, where Bruno's first job was at the Hawera Hospital. They bought a small farmlet where they raised pigs and beef, and this, together with looking after the three boys, kept Maya busy. Bruno then worked for many years for Walkers (a Hawera freezing works) as well as doing many electrical jobs for people around the Hawera area. He particularly enjoyed working for people in the Swiss community where he always loved a chat with a coffee schnaps or two!!

Bruno and Maya travelled to Switzerland twelve times, and they always enjoyed travelling home ... whether it was to Switzerland, or coming back to New Zealand.

Bruno was an active member of the Taranaki Swiss Club, particularly enjoying games of jass, and was renowned for taking many a gamble in this Swiss sport!!! Bruno and Maya participated in many of our functions, and enjoyed several bus trips away to the other Swiss clubs. Bruno undertook the electrical work when we built our hall, and continued doing maintenance work afterwards.

The Taranaki Swiss Club and the Swiss Society of New Zealand extend their deepest sympathy to Maya and family.
