# WEIHNACHTSKNEIPPEN 2015 UND 2016

Every year, early December is the time for one of the highlights of the AACZ calendar, the Weihnachtskneipp at the FONDEI hut. As in the past few years, the early Decembers of 2015 and 2016 did not spoil us with lots of snow. Only few of us ventured to bring skis along. The rest enjoyed the beautiful weather hiking. One of the advantages of too little snow is that the ski-touring gear can be left at home, which leaves more space in everyone's backpack for food and drinks. This meant

that we enjoyed generous and delicious meals. After a delightful evening with a festive dinner, a good night's sleep and a hearty breakfast, most of us took off to make the most of the day and climb one of the summits on the way back. As always, the Weihnachtskneippen were a wonderful occasion to enjoy ample food and drink, watch shooting stars and be out in the mountains together.
