CHINESE SOCIETIES AT THE DAWN OF THE THIRD
MILLENNIUM

Remerciements

Les articles qui suivent ont été rassemblés alors que je donnais aux départements de sociologie et d'études asiatiques de l'Université de Zurich un cours consacré à la modernisation de la société chinoise des années trente, soixante et quatre-vingt-dix. Les divers collègues de la section de sinologie ainsi que les participants à ces trois cours m'ont communiqué des remarques, des critiques et des avis stimulants, ce dont je leur suis reconnaissant. J'exprime mes remerciements particuliers à Monsieur le professeur Robert H. Gassmann, directeur du Ostasiatisches Seminar, de la revue *Asiatische Studien/Études Asiatiques*, ainsi que de la Société Suisse-Asie, pour les occasions qu'il m'a généreusement offertes de dispenser ces enseignements et de réaliser ce numéro thématique sur la Chine contemporaine. Son soutien, ses encouragements et sa confiance m'honorent.
