Specimina Ferulaginis ex nomine collectorum ordine alphabetico digessa

Notula

Nimis multi Ferulaginis lectores Europae Africaeque praecipue, more antiquo vel incuria recentiore, specimina sine numero distribuerunt. Hoc nefastum ad collectiones pluries distributas nuncupandas omnibus herbariorum conservatoribus vel praepositis quotidie apparet!

Cum specimina majoris pretii sine numero adsint, tunc vel diem collectionis vel notulam quamdam ex schedula ad intelligendum specimen addam.
