ANNUAL REPORT AND BALANCE SHEET.

Your Committee has much pleasure in presenting the Annual Report and Balance Sheet for the year ending September 30th, 1943.

Satisfactory progress has again been made, and in spite of considerably higher expenses our funds have increased and now amount to £NZ 250.16. 8.

The membership of our Society has increased by 5, and the total number of members is now 158. We acquired 17 new members during the year under review and regret that we lost some through non-payment of the sh.10/- annual subscription fee. There are still many Swiss in New Zealand who do not belong to our Society, and the enrolment of new members should always be borne in mind. We would thank members if they would be good enough to go through the membership list published in this issue and if they find that any of their fellowcountrymen in their district are not yet members of our Society, we would like them to approach them and persuade them to join. We shall be pleased to send a complimentary copy of this monthly publication "Helvetia" to them if their names are sent to us, so that these countrymen may get an idea what the aims of the Swiss Benevolent Society are.

The chief purpose of our Society is to link together, for the sake of friendship and common ties, the Swiss so widely scattered over the country, to assist compatriots in real distress and to bring before you news from home as well as happenings among Swiss residents in New Zealand. To achieve this, however, we should have the wholehearted support of every member.

We wish the new Committee in Auckland, who are now taking over, every success, and assure them of our loyal support as individual members.
