**HAMILTON SWISS CLUB CHRISTMAS PARTY**

This function was held in our usual clubrooms at Riverlea Cabaret. There was a large attendance of adults and children. Before the Christmas party proper, the president handed out the prizes to the lucky winners of Kegeln and Schiessen competitions at the Matamata picnic. Everybody then joined in singing "Oh Tannenbaum." Joe Risi gave a vocal solo, "Ave Maria," accompanied by Hedy Biland, and as usual his singing was much appreciated.

Some children, with burning candles in their hands, sang some of the English well-loved carols. A real novelty was "Stille Nacht," played with a recorder, violin and auto harp. During these items the candles on the Christmas tree, which had been beautifully decorated in real Swiss fashion, were shedding their soft light in the dimmed hall. After everyone had sung "Oh Du Froehliche" there was a commotion at the back of the hall when Santa Claus came, carrying a large, well-filled sack.

About 70 children received a parcel with a gift and lollies, also some necessary admonitions. Santa, as usual, had been again splendidly enacted by Peter Reinhard. The highlight of his appearance was of course the carrying out of the "naughty" boy in his sack.

An excellent supper was served to which all present had contributed a plate. Three handoergelers then gave us dance tunes unstintingly and so, with something for everybody, the Christmas party came to a happy conclusion. —H.B.

**WELLINGTON SWISS CLUB CHRISTMAS PARTY**

On Sunday, December 4th, we held our annual Christmas Party in the Brooklyn Community Hall. There was a record attendance at this function, including a great number of children. When everybody was seated, Mr Bischof opened the evening with a few words of welcome, after which everybody joined in the singing of Christmas carols.

Next on the list was the showing of three films. The first two were for the children—one, for the very young, was about the cheeky antics of three baby bears, the other, for children a little older, was adapted from a Canadian legend and filmed in the "logging country" of Canada. The third film shown was for the "grown-ups." This was filmed in Nigeria and was very interesting.

After the films some of the young girls performed a ballet to the plaintive notes of a recorder which was played by quite a small girl. Then came the big moment every child eagerly awaited—Father Christmas walked in, case in hand and a big bag of presents. He looked in his book and called each child separately to him and gently chastised him or her for any faults they had shown during the past year and made them promise to be better in the future. Each child was then given a small gift. When his bag was empty Father Christmas waved a cheerful "goodbye" to the children.

After a delicious supper of cakes and Christmas cookies had been enjoyed by all the time came to go home. —J.F.
