Hamilton Swiss Club

The Annual General Meeting was held in the Riverlea on April 8th, 1962.

President's Report:

Once again we can look on a successful year—with regards to our finances, thanks to Jakob Von Holzen—regarding our membership and the general attendance at our regular monthly evenings.

The two outstanding events—our first of August Celebration and the Annual Picnic at Mr and Mrs Risi's residence—brought such huge crowds which we were hardly able to cope with.

One of our regular evenings was turned into a fancy dress dance and, according to the support and listening to the comments afterwards, this is well worth repeating. Through the courtesy of our Consulate, we were able to show a most interesting film of the Swiss Army.

We also held three card evenings in the Tauwhare Hall during the winter months and at Christmas-time our usual evening with Christmas tree and Santa Claus was particularly enjoyed by our youngest members.

As you can see, this has been a busy year for your Committee and I would like to thank them on your behalf for the work they have been doing. For myself I would like to thank the wives of the Committee members and those other helpers who so faithfully perform their never-ending task in the background, and my sincere thanks to the Committee members for their unfailing loyal support—it has been a pleasure to chair our meetings.

ARNOLD BILAND,
President.

Schaffhauser "Schuebligweggen"

Here is something that will go down well when you entertain your Swiss friends—and it does not entail too much work for the housewife:

Roll out puff pastry about 1/16th of an inch thick. Place a pair of Schueblig on to pastry and then fold pastry over sausages on all sides. Dampen edges and press down well. Put the ready rolls with closed side down on a tray, decorate top with some extra pastry, slightly moistened. Brush all over with egg yolk and bake for 25 minutes in medium heat. Serve with a green and beetroot salad and with a nice dry white wine.
