## President's Christmas Message

I feel grateful for this opportunity to wish you all merry rejoicing at this turn of the year, and prosperity and happiness in the days to come.

I am thinking of the many members I have had the pleasure to meet and of those I have not yet met; of those who do not have the privilege of celebrating the fete amongst their family and the new arrivals who may feel alone and isolated because they are living so far from home; and particularly the aged and sick.

To all I have at heart I wish a Merry Christmas and a very Happy New Year, which is extended also in grateful appreciation to our compatriots at home in Switzerland.

JOHN STEINER,  
President.
