will, no doubt, also affect the rural woman. Whatever the outward changes, however, her main task will remain that of wife, mother and homemaker. She may become less of an active farmworker and be relieved of some of the manual work. It is hoped that she will put the much needed increased leisure to good use. On the whole, she is not dissatisfied with her hard lot, but more time for spiritual recreation, for cultivating reading and the arts is desirable and will enhance her position in the centre of the rural family. With smaller economic worries, she may be able to face the challenge ahead of her successfully. She will have to choose what is good in rural tradition and discard much that has been wrongly accepted as rustic conventionality. If she can adapt herself to the altered conditions, she will create a new life which will benefit herself, her family and ultimately the whole nation.

### AUCKLAND SWISS CLUB

The Auckland Swiss Club held its Annual Picnic on February 12th, 1967. The weather couldn't have been better.

Most people started arriving from 11 o'clock on to be in time for the Bratwurst which were being barbecued for lunch. Of course, coffee cakes, ice cream and cold drinks were available.

We were honoured by the visit of the President and ex-President of the Hamilton Swiss Club, Messrs W. Risi and A. Biland.

The sports activities kept just about everybody busy until late afternoon. Special cups were awarded to the winners of each competition: Picnic Schutzenmeister, Mr H. Enzler; Steinstossen, Mr W. Piatti; Kegeln, Mr J. Spillman; winner of the Ham raffle, Mr H. Fitzi.

One member who couldn't make it all the way from Taupo sent his regards in the form of some 30 hares which were later grilled for tea.

### APPRECIATION

I am deeply appreciative of the recent appointment as Honorable Consular Agent for Switzerland. The many genuine and warm congratulations my wife and I received at the recent Auckland reception, so kindly and thoughtfully arranged by our Charge D'Affaires Dr Jean-Pierre Weber and Madame Weber, were greatly appreciated by myself and Mrs Merz.

The whole atmosphere and the sincerity of mutual goodwill pertaining to the solidarity and love towards our Fatherland, was certainly in full evidence during the memorable gathering. To both of us it was an unforgettable occasion and we extend sincere thanks to all who made the evening such an outstanding success.

Ernst Merz

## HAMILTON SWISS CLUB

After two postponements luck was in our favour and the Club was able to hold the annual picnic at the usual place at Ngaruahia. This time it was held in conjunction with the Swiss Society Shooting Competition and in spite of some doubt by the organisers about holding the two events on the same day and place everything went smoothly. The weather was perfect and the large crowd who attended enjoyed themselves thoroughly. We counted 70-odd children who participated in the children's races and lolly scramble. The Bratwurst were excellent and soon sold out, as did the cakes.

Yodelsongs and Thalerschwigen presented by the Yodelchoerli were enthusiastically received. Harry Schuler and Mrs Stone entertained us royally with accordion music.

The winner of the Baumann Kegel Cup was Oscar Duss with 19 points (congratulations), Rudi Stucki 18, Ernst Studer 18; the men's race was won by Bill Pratt and Richard Wehrle 2nd, Thomas Amann 3rd.

Many thanks to all who helped to make it such a perfect day and special thanks to the Risi family for having us. —E.St.

## TARANAKI SWISS SOCIAL CLUB

The Annual Picnic was once again held at Te Ngutu Park, Okaiawa, on a beautiful sunny day. St. Peter must have a soft spot for the Taranaki Swiss people—for years we have been fortunate to have fine weather for this important occasion. A record crowd of happy, bronzed Swiss members and friends packed this lovely historic park. And kids, everywhere there were kids—happy smiling, laughing, running, jumping, shouting, chasing: beautiful children of all ages—our best security to a healthy sound future for this our adopted country.

We were disappointed that Dr and Mrs Weber nor Mr Schaerer were unable to be with us this year but, however, they were very ably represented by Mr and Mrs Homberger, that bright, friendly couple whom most of us had met previously. Also with us were Mr and Mrs Wehrli from Wellington; we hope that both these couples enjoyed our company as much as we did theirs.

The results of our major competitions were as follows.—Steinstossen: Senior (Challenge Cup), Brian Muller 1st, R. Langton 2nd; Junior, K. Meier 1st, B. Luond 2nd. Raffles (once again donated by Mrs C. Schuler snr., our Patroness), Trevor Gillbanks 1st, Mrs Meier 2nd. Skittles: Ladies, Mrs F. Gwerder 1st, Mrs J. Hermann 2nd; Gents, Mr F. Gwerder 1st, Mr D. Dorflinger 2nd.

Our President, Mr M. J. Steiner, briefly addressed the crowd, thanking all members for attending in such large numbers and also the regular musicians, the committee and our Wellington visitors. Mr Homberger also spoke in the absence of the Consul while Mr Wehrli was privately inviting some of the Taranaki members to attend the Wellington Club's celebrations in June—who knows?

All too soon it was 3.30 p.m. and for a lot of us cows called, but we were all sure it had been a wonderful day and are looking forward to Picnic 1968!

## WELLINGTON SWISS CLUB

At Raumati South on Sunday, March 5th, the Wellington Swiss Club participated with seven groups, one of them ladies, in the N.Z.-wide shooting competition. At the same time, the results of the trial shooting counted as the Wellington Championship. We were fortunate to have beautiful weather—real picnic weather.

As always, our old friend Mr Hans Schaerer did a marvellous job organising everything. Not so good were most of William Tell's sons—one had to be awarded a cabbage for missing the target too often! It would not hurt most of us to do a little more exercising in between championships.

All in all there was a friendly atmosphere prevailing and we can look back on this day as a well organised and happy occasion.
