The Joys of getting together . . .

THE annual Swiss picnics are providing the opportunity for all to see one another — the abundance of happiness they create is reflected on every member's face, irrespective of age. Whether it be the renewal of old friendships or the forming of new ones, it must be first of all the fulfilment of a desire for company, inborn in every one of us — meeting others with the same interests, and a chance to pass on happy memories and sharing others.

It is pleasing to note that the annual picnic of all our Clubs takes pride of place, second only to the 1st August celebration; in fact it could be more important as it takes in our young folk and provides us with an opportunity to pass on to them old traditions, which we are so proud of, at an age when it is likely to make a lasting impression on their minds.
