perhaps. Patterns may be constructed in this manner with any rubbings and with practice will become most attractive.

### ☆ MAKE YOUR OWN JIGSAW PUZZLE

You need easy-to-cut cardboard and crayons or pencils. Draw a bright picture on the cardboard (for small children Mum might draw some simple shapes), turn the cardboard to the reverse side and draw all sorts of shapes: triangles, squares, oblongs, large and small; cut these shapes out carefully, turn the cut out pieces over again to the picture side and try assembling your very own jigsaw puzzle. Keep the best ones for your friends to try. —R.B.
