### LETTERS TO THE EDITOR:

#### THE SWISS WOMEN'S POLITICAL VOTING RIGHTS — YES OR NO?

Sir,—Thank you for reminding us all that there are very bright and learned women able to be barristers, mayors (in Geneva), doctors, etc.

How is it then possible that you could not trust them — and their less brilliant sisters who nevertheless might have good common sense and clear thinking abilities — for voting on Federal issues?

"Why change something which has proved itself for centuries" you write. But life is changing all the time, and circumstances, and duties . . . We have to accept this rule, and be proud if our home country progresses towards more complete maturity.

SUZANNE MOND.
