**ROESTI-BAR AT ZURICH
RAILWAY STATION**

Swiss style "Fast Food" in 18 variations. The Zurich railway station boasts the first and only "Rösti-Bar" in Switzerland. Although Rösti specialities have been available at the restaurant for over 10 years., the new Rösti-Bar is based on the Fast Food principle. The potatoes are pre-cooked, grated, portioned out and frozen. No more that 7 minutes are required from order to be served. Eighteen different toppings are being offered, including of course the ubiquitous rounds of cervelat.

An additional feature of the Rösti-Bar is the fact that there is enough room between tables to move around with your baggage trundler. You could call it a sort of "Drive-In" in miniature.

OBITUARY

Len Chamberlain 1921 - 1992

Len was born in Kaponga where he lived all his life. He knew what hard work was, but also knew how to use his leisure time. As a very active Member of the Taranaki Swiss Club, an Officer of the club for 30 years and, during that time, 18 years as President, he was made an honorary Member with his wife, the late Molly. Until his death he was the Patron of the club.

His parents immigrated to New Zealand in the early years of the century. They came from Steinerberg, Schwyz. Their original name was "Tschümperly".

Len's dream came true when, on the 4th of April 1979, the Foundation Stone was laid for the clubhouse in Grace Avenue Kaponga. He was very proud to open it in 1981. As a very keen shooter in smallbore and Karabiner, he proudly saw the opening of our smallbore range in Grace Avenue in 1983 and, to fulfill all his dreams, he was able to have some shoots on our new Karabiner range in Rowan.

Len spent hours of his time for the Swiss Community as a whole and we convey to his three daughters and their families our deepest sympathy.

Ruedi Dudli, (President)

CHALET LOUNGE SUITE

Teteron padded cushions for the modern appearance. A really elegant, attractive new design from Switzerland proving very popular here in New Zealand.

May be covered in Dralon, Wool or Leather
