## FARM EXTENSION

The time has come for a small report on the donations received. Unfortunately Marie-Therese is overseas at the moment so we can't tell the exact amount received. We started off very well and so far we have received several thousand dollars including some donations as far as Wellington and Switzerland. In the next issue we will be able to give the exact amount raised and the bit still to be raised. Till then please bear with us and don't hesitate to send us your cheque too.

*The committee*

## SUGGESTIONS

We in the committee have been asked to propose new ideas for new events to be organised, old ones changed or reformed, events for children especially maybe for teenagers, since there is no incentive nor anything organised for them to join actively in the club live. Maybe one of the other ESA club has a youth section where we could join in and help organise something together. We are hopeful someone out there comes up with a "Geistesblitz" and actually proposes in writing or verbally to the committee.

## Fastnacht 1995

28th October 1995

at the door.

Any ideal will be listened too but not necessarily acted on. Any committee member can be approached or Peter S. can tell you the dates of the next meeting and you can join in the discussion.

Peter Schuepbach's phone is 309-5824 during the day time.

## transport safety AUTHORITY

The Land Transport Safety Authority is concerned about safety on the roads especially tourists and new immigrants not familiar with NZ conditions.

I just mention the rule for new immigrants in short. If you have held a driving licence before and are over the age of 25 years, you only need to take the Practical Test to gain a NZ Driving Licence.

*To take a practical test is straight forward:*

- Go to your nearest Licence Issuing Office and arrange a time for your practical test.
- Return at the arranged time:
  - with a suitable vehicle
  - with your Learner's Licence (if applicable)
  - be prepared to have an officer with you in the car testing your driving standard, skills and attitude.

If you want a copy of the comprehensive leaflet call tollfree 0800-699 000.

*The other option: Take your test in Bombay. 2 minutes driving on a disused road. Voilà - it is so simple.*

## SHOOTING 1995

Hi everyone.

As most of you now know, the shooting programme for 1995 was not completed. The road to our farm was completely wiped out by developers at the start of the winter. This matter has been taken up by the Farm Committee and is in hand at the moment.

Our Shooting results are normally sent off to Switzerland by September. We explained our situation and the authorities allowed us an extension till November. To complete this year's shooting calendar, the farm will be open on the weekend (both days) **11-12 November**.

The Shooting Committee invite all members to attend this last weekend and complete their shooting programme for 1995.

Virginia Amstutz  
Secretary Shooting Section.

## CHRISTCHURCH SWISS CLUB

There isn't much news from your Christchurch Swiss Club this month, but here it goes anyway. For any suggestions, comments or contributions (YES, PLEASE!), contact your Secretary of the Chch Swiss Club, Jürg Hönger, 58 Hackthorne Rd. Christchurch 2, phone (03) 3326 211.

## PROGRAMME

We will provide more details on the events planned closer to their respective dates.

**Sunday 1 October:** Walk and Picnic on the Port Hills. We meet at Victoria Park at 11.30am. B.Y.O. picnic food and afternoon tea.

**Sunday 19 November:** Walk and early barbecue tea (from approx 4pm) at Johanna and Peter Cunninghams's bach at 57a Andersons Rd, Charteris Bay. Let's get to Johanna and Peter's place by about midday, so we can have a bit of a stroll before the barbecue!

**Sunday 3 December:** 2pm. Christmas/Samichlaus Party at Othmar and Noeline Kennel's place, Sutherlands Rd. Christchurch. In terms of food, there will be a big surprise awaiting everybody!

**Weekend 10/11 February 1996:** A weekend at Mt Somers (Mid Canterbury). You can either stay at the camping ground or book a chalet at the "Stonechrubie" (Country-Restaurant and Chalets). This place is run by an English and Swiss couple, Christine and Robert Koller, and is well known for its delicious "European-style" meals, and provides excellent value for money (\$65 for dinner, bed and breakfast). I can personally vouch for this - my partner and I recently spent a wonderful weekend over there. We strongly recommend you book with them directly (Ph 03 303 9814) and by the end of October at the latest, to guarantee you a place. Please let the secretary know also, once you have booked, so we get a rough idea on how many are coming.

The area features a range of excel-

## OBITUARY

It is with sadness that we let you know of the passing on of Maureen Zust, wife of Mani Zust. Maureen was a great supporter of the Swiss Culture and will be remembered as the driving force of the Enid Blyton film series.

We offer Mani and his family our deepest sympathy.
