KAPELLBRÜCKE

It is now just over 3 years since fire destroyed the world famous Kapellbrücke in Lucerne. The tragedy happened on August 18, 1993. Amazingly, thanks to hard work and fast planning, it took only eight months to restore the bridge to what it looked before the fire. But the costs of restauration were high. According to a report just published, the total bill amounted to just over 3.4 million SFR.
