Schützenball

This was held at the Freemans Bay Community Hall on a rainy Saturday 1st September 2001, and I want to thank all the 90 or so who attended, especially the delegation which travelled up from Hamilton to pick up the prizes on behalf of their shooting group. We enjoyed a nice warm meal, then listened to a short speech and presentation of the medals by the Riflemaster, and then everyone got into some serious 'gambling' with the elaborate tombola, and danced to the easy rhythms of the Holz hacker band until well into the night.

Thank you all, for your wonderful support, and to all the generous helpers, and especially the sponsors of tombola prizes.

Welcome to the new members who joined us recently:
Markus + Concetta Beeli
Lenore Bryner
Claude Zollinger and Family
We hope to see you a lot at our gatherings and that you enjoy the company of us fellow Swiss.

300 Meter Shooting Competition

The Auckland Swiss Club has its own shooting section situated at their Kaukapakapa Clubhouse, and Hamilton shooters are invited to be a part off this section at no cost. A great thank you to the Aucklanders for having us up there year after year.

The Auckland Shooting Section (of which we Hamilton shooters are also a part) has achieved outstanding placings in the international Swiss shooting circle. We seem to be in the top four, behind clubs such as Johannesburg, Vancouver and our friends in Kaponga.

Each year, a small group from Hamilton travels northward to take part in this event. We normally shoot four programs - Obligatorisch, Feld-schiessen, Auslandschweizer- and Einzelwettschiessen.

I have been a part of this event for only a few years so far, and I enjoy this day of camaraderie and competition every time. Sadly, I see some good colleagues no longer attending due to such things as failing eyesight, so we also continuously need new participants. The competition is open to all Swiss citizens and their families - young and old, ladies and gents.

Earlier this month (Sept.), four Club members went to the Auckland Schützenball and I was proud to represent the Hamilton shooters as I collected all the medals that made it to the Waikato. Congratulations to all the shooters, and especially Robert Frischknecht for winning the Hamilton Trophy and the silver medal for second place overall with 323 points. He was beaten only by Auckland's Henry Werffeli. Wayne Hodel won the overall Junior Trophy, and many other individual medals also made it down to the Waikato.

The Hamilton Swiss Club has always supported the event by paying transport (petrol) costs for everyone to travel to Kaukapakapa. Now, the Club is offering further support in an effort to encourage more people to participate in this shooting event.

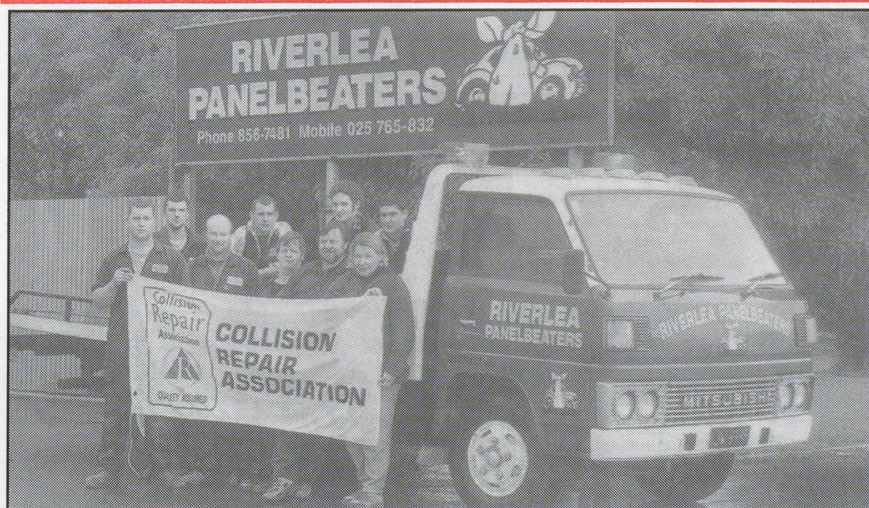

All junior shooters, up to the age of 20, and all new adult shooters, or those who haven't shot for 10 or more years, will be entitled to shoot the obligatorisch program free of charge - the cost of one program is currently \$15.

Next year's shooting event will be held at the Auckland Swiss Club Farm, Kaukapakapa, on 19th May 2002. Remember, no shooting experience is required and tuition is available.

I would like to thank the Hamilton Swiss Club for their support, and hope we will see some new faces next year.

Hans Vetsch, Club Riflemaster

Anyone interested in shooting in Auckland, or prior to the Picnic in February, please contact the Riflemaster, ph 07 855 3294. Further notification will be made in future issues.

Past Events....

25 August; Society Jassen

Our Society Jassen last year had a record number of 20 players. This year it was a record again, but a record low number attended, with only six participants, due to overseas trips for some lucky ones, flu for some unlucky ones and other commitments for the rest... Nevertheless, the few who came had a good evening, competing hard, but all in good spirits, with many laughs and jokes; and supper was like a family picnic.

Make sure you don't miss out next time!

9 September; Berner Abend with the Auckland band "Sound of Switzerland"

The week before the great event was a hectic time, with lots of busy days and very late evenings - but it was all worth it. The seats along the walls were ready and beautiful (thank you, Hans Scherrer!) and very much needed for the great number of guests. And we couldn't have done without the additional space for the band - thank you Peter, Heinz and Roland for your tremendous effort with another steel beam!

- The kitchen crew on Saturday afternoon were the first to admire a beautiful painted window - what a surprise! Have a guess who the hidden talent is!

- The club house was buzzing with almost ninety guests, members, friends, musicians; we all had an unforgettable evening. The food was rich and delicious, prepared by our seasoned chefs Roland, Heinz and Günther. And the Auckland band played at their best, entertaining all evening - we couldn't get enough of it. Thank you very much for your generosity to contribute so much to our evening! We do hope to see and hear you again soon!

Forthcoming Events....

10 November: Garage Sale

Last year's Garage Sale was a major fundraiser, so please contribute again this year! Your past treasures will find appreciative, loving homes at our garage sale. Everything is welcome. Please bring your goods to the club house on a Friday Coffee and Cake afternoon or on the fondue evening.

- If you need help, ring Heinz Jäggi (526 35 51). tb.
