By now you will all have received our annual newsletter and programme, and the committee looks forward to you attending as many functions as possible.

Please refer to the programme often, so that you don't miss any of our functions. We hope that you will enjoy the programme that we have put together, but please let us know if you have any ideas for additional activities or functions. We do enjoy some feedback to ensure that we are on the right track ... or not... whatever the case may be!!! I would like to thank all the people who helped folding the programmes, newsletters and Helvetias in April ... as we had quite a bit to do at once ... we really appreciated the extra hands.

Swiss Clubs' participation in the Multi-ethnic parade in New Plymouth on 19 March 2005.

On the 19th March members from our club attended the Multi-ethnic parade in New Plymouth. On a beautiful Saturday morning, 43 club members and friends walked with Swiss flags and bells behind a Swiss

Chalet on a ute. The walk was 1.5km long and many spectators waived us along the path. The group looked very colourful in their costumes, and we had a wonderful contingent of children taking part which was great ... many thanks to the entire group for participating ... the Swiss Club really appreciated it. Thereafter everyone congregated at the Yarrows Stadium where there was a delicious display of food from various countries to taste. There was continual entertainment ... singing, music, folk dancing etc ... and the Swiss Club also took part. Zeno Hospenthal with his accordion played a Swiss tune, Rosly Zuger yodelled, and Othmar Hebler blew the alphorn with accompaniment from Zeno. They were accompanied on stage with Helen and Sonya Werder in lovely trachts and Franz Schuler holding a Swiss flag which blew nicely in the wind. We provided lovely entertainment which was enjoyed and appreciated by a large audience.

Karabiner Club

On the 5th of April we had the break up of the Karabiner Shooting Club. We started off with a yummy pot luck tea. Full marks and many thanks to the various cooks. After coffee the handing over of the Medals got under way. As usual we shot our four programmes; the military and two civil. All together we handed over 54 Medals! We even had a Gold Medal this year. As many of you know, in Obligatorisch and Feldschiessen you get a certificate for a certain number of points. When you hand in eight cards from each shoot, you get a bronze Medal; for eight more a silver Medal and for another eight a gold Medal. This year Othmar Hebler and Franz Schuler received a bronze medal each, and Josef Kiser was awarded a gold medal. This was only the second time that a member of our club received such a medal!!! That's 24 years of participation!!! Congratulations Sepp and all the Medal winners.

Full group photo which included a lovely small Chalet on the back of a ute. We were fortunate to have two of our life members, Charlie and Doreen Schuler, sitting on the back of the vehicle (beats the long walk eh?!).

Many of our younger members in Swiss costume ready to walk in the multi-ethnic parade, with the beautiful bells in front, together with several Swiss flags.

Past Events...

On the weekend of 19th and 20th March twenty-five Hamilton members headed north to Orewa for our planned Family Walk. Most people stayed in Orewa at either Motels or the camping ground. It was an absolutely perfect summery weekend and a few of us enjoyed the surf when we arrived. We all assembled at Gulf Harbour the following morning greeted by another perfect day. The water looked very inviting and after distributing tickets to everyone and collecting the last lot of money, the Fullers Ferry arrived ready for a 9.45am departure. We had already had a few hassles confirming the booking several weeks before, so we were again surprised when everyone was aboard the vessel and we were told they had 29 people too many, even though everyone had tickets and people were counted as we boarded. After several announcements and finally some people disembarking we all headed off for the beautiful Tiritiri Matangi Island. A few of us participated in a very informative guided walk, whilst the rest wandered around the island at their own pace. Most people had the chance to see the Saddleback, Stitchbird, Kokako, Tui, Fantail and Kingfisher. Everyone then met for lunch by the lighthouse and enjoyed the complimentary tea or coffee whilst eating our packed lunches. On the way back most people walked via Hobbs Beach where quite a few who had remembered to bring their togs ended up having a very pleasant swim. Everyone then headed back to the mainland on the 3.30pm ferry ready for the drive back to Hamilton. All in all, a very enjoyable weekend and a great opportunity to discover a different part of New Zealand as well as socialising with different people.

Forthcoming Events...

Advance Notice for Society AGM – 4th & 5th June : This year the Hamilton Club will be hosting this event and we would like to extend a warm welcome to all the clubs to attend this event on Queen's Birthday Weekend. We will be having a social evening on Saturday evening commencing at 5.30pm with drinks, followed by a BBQ dinner at the Matangi Hall. This evening is for our out-of-town visitors and we anticipate it will be a fairly early evening as some of you will want to be ready for the finals of the Cowbell Competition which will commence at 10am on Sunday morning at the same venue. The AGM will be held at 2pm followed by afternoon tea. In the evening there will be a dinner and dance with entertainment by "The Sound of Switzerland". The cost of this evening will be \$40 per person and we need definite bookings for this as well as the other events at least one week before. All club secretaries will be sent full details of this event so please contact your club secretary if you would like to attend. Accommodation will be very scarce in Hamilton due to the Lions Rugby tour, so please book promptly. All Hamilton members will be sent an invitation.

Chocolate and Cheese

These Swiss stereotypes worked for the Swiss Club again. They may not be the true representation of the Swiss character or even a politically correct showcasing of our homeland but one

most know and enjoy!

Cultural Galore was held at the weekend before Easter at the Ray Blank Par, Avonhead. It was a very busy and colourful event with the representation of countless Ethnic communities. The Christchurch Swiss Club had a stall again selling our traditional Raclette and Chocolate Fondue. It was great to see so many familiar faces - not just fellow Swiss but also Kiwis who come and visit us every year for their annual chocolate and/or cheese fix!!!

There was a second occasion we've used the winning combination of Chocolate and Cheese. The Fondue evening for the "Aargauer Zeitung Leserreise". By request from our Swiss visitors we arranged a Fondue evening at the Sign of the Kiwi. Hans Limacher was the perfect host. While their local guide enjoyed our national delicacies, Hans took the opportunity to tell our visitors about the local history of the Sign of the Kiwi. It was a very enjoyable evening with a good mix of local Swiss to visiting Swiss.

If you wondered where the Chocolate fitted in with the second part of the article, we served pastries filled with chocolate mousse for dessert!!!

Forthcoming Events **MOVIE AGM**

Sounds boring doesn't it????

Well, this is the single most important event that takes place each year for every club, and you the members. It will be held at the rustic Old Stone House in Shalamar Drive, Cashmere, on Thursday 5th May at 7.30pm. We will attend to the formal affairs, including welcoming our special guest Miss Karin Rueger from the Swiss Embassy in Wellington. After the finances and everything else is sorted out and approved, we will then move to the highlight of the evening - a superb-gem movie for the years' movie-AGM: "AROSA FILME". The film is shot in several black and white chapters with hilarious moments dating back to almost 1930 when Arosa discovered the apres-ski craze!!!

As true Swiss ski-bums you will be glad to know, that we will be showing the "AROSA" movie on a giant screen, not a small TV/Video and there will be drinks and nibbles, just like the real apres-ski!!!

First Card Playing Evening of the Year
Our first Jass evening of the season was held on the 18th March at the new premises, the Ponsonby Community

Centre, 20 Ponsonby Terrace, Ponsonby. It was a huge success, with 19 people attending. Quite an achievement for Auckland! The new venue is very central and therefore more suitable than the previous one. We apologize for the map that appeared in Helvetia, which was meant to guide you there. All agreed that it was not very satisfactory.

Many thanks to all our sponsors for the prizes and also to the ladies for the generous supper. A special thanks to Heidi Wilson, who very generously paid the hall rent for the whole season in advance.

Our next card evening will be held on May 20. Hopefully the turnout will be as good as the first (and second! - the turn-out on the 15th April was 21, results to follow in the next issue) time, although the numbers of players may begin to deplete, as many of you will be travelling to Switzerland for the European summer, including myself. Which gives an opportunity for those who have not been involved in card playing to fill in the gaps resulting from this temporary diaspora. Please come. It is a lot of fun. Starting at 7.30pm at the above venue.

Hans Iten, Convenor.

I don't know if it was the uncertain weather that day or lack of publicity, but only about 3 people joined Heinz and Thomas up at the farm for the yearly "Wandertag", the Boundary Walk around the perimeters of the Swiss Property at Kaukapakapa on the Sunday 7th April. That is a pity, but it didn't deter Heinz from enjoying the 2-or-so-hour walk with lovely views over the two harbours.

Trudi had the great fortune to attend the celebration of the 200th Birthday of Hans Christian Andersen with the Danish Society on Thursday 14th April. It not only gave me a greater understanding of the sophistication of the Danish society and their affinity with the great writer and artist, it also offered the opportunity to meet some of the Danish people living

here in New Zealand and admire their fabulous clubhouse in Penrose.

We as a club are going to use this clubhouse for our National Day Celebration on the 30th July this year, and I am very confident that you from South Auckland who will all attend because it is not far for you to go, as well as all those from the other directions who will come, will enjoy a lovely evening there.

The Danish Society are very active here in New Zealand with around 400 odd members. They keep their culture active through a singing group, a dance group, a children's playgroup and many regular gatherings throughout the year.

The celebration of Hans Christian Andersen's 200th Birthday is celebrated around the world during the length of 2005 and several famous artists have been appointed as ambassadors for the legacy he left behind, among them Kiri Te Kanawa. The Auckland Celebration on Thursday 14th April included Speeches and skits all in honour of the author, and a shortened version of the long celebration in Copenhagen itself on the 2nd April. Everyone who is anyone was there, to watch, sing, dance or entertain in other ways; Hayley Westenra led a children's choir with her angelic voice. It's a big thing. And libraries and schools are invited to weave the importance of this event into their curriculum. The Danish Society has a teaching kit to pass on to schools for this purpose. Libraries have story times with a focus on the author. Everyone, young and old is invited to grab the opportunity of this event and take a little journey with the European guide of all guides into the world of fantasy.
