Hamilton Swiss Club

Past Events...

Hamilton Swiss Club AGM was held on Saturday, 22nd April at the Swiss-craft premises in Frankton. Again we were able to match our record attendance of last year of 33 people. The usual proceedings took place with several reports read and re-election of officers. We had no resignations and no changes to office bearers, but we can welcome two new committee members: Ursula Haefliger and Richard Wehrle. Welcome to these new committee members and we hope you enjoy working with the present committee. We've heard about your great cooking skills Richard! Look forward to some sampling. The main topic of discussion under General Business was our forthcoming 50th Jubilee Celebrations and several great suggestions came from this. Following the meeting, the committee served a delicious supper with lots of home-baking and of course coffee and schnapps.

Interclub competitions – Auckland vs Hamilton

A group of us went to the Auckland Swiss Club farm on the 23 April 2006 to challenge our northern neighbours for the small cow bell. The shooting had gone Auckland's way earlier on. As always we felt we had a fair chance of coming out on top! Auckland put up a good fight and won the "Kegeln" - local knowledge of their alley is our excuse. "Steinstossen" went our way thanks to the young and strong Waikato men. The cards then became all important and 'lady luck' was on our side this time. Therefore we ended up with a draw and had to play off with another game of cards, the result being a two all draw, but a count back on points gave us a welcome victory.

Thank you Auckland for a most enjoyable day. We do appreciate your hospitality and good sportsmanship.

Watch out Taranaki - here we come!

300 meter Hamilton shooting weekend

What a great turnout for this event! Numbers we have not seen in my time and it put us under some pressure to get everything done on time and in order (Something to think about for next time).

We left on a beautiful Saturday morning and the weather was very kind to us right through the whole weekend. 23 shooters took part in a very busy program and thanks to some not so keen shooters we were very well catered to all weekend. A great thank you to Henry, Marcel, Orlando and Mike, and the Auckland Club for letting us have a great weekend. Many thanks for all the food donated and the help in the catering department led by Vreni. Veal "goulasch", spuds and veges washed down with a few favoured drinks, followed by chocolate

mousse and pears plus a selection of cakes and "Kafi Schnapps" kept us up to midnight when everybody slowly disappeared to their chosen corner of the farm. We crawled out to a fantastic morning and after breakfast we were on the range again by 8.45 right through to 3pm. After consuming Rae's fine soup, wienerli and Heidi's bread we were all ready to head home at 4.30.

Results: No definite results were available at the time but it looks like we will have a new Hamilton 300 meter champion, Markus Ruegger- congratulations.

Medal recipients for last year's performance were: Roebi Frischknecht, Heinz Leuenberger, Vitus Achermann, Walter Zuber, George Russenberger, Bernhard Hurschler, Markus Ruegger and Toni Wilson. I ended up bringing the Val Mason Trophy for highest overall score, the gold medal that goes with that back to Hamilton and also got the Hamilton plate for best local score.

We also competed in the Auckland – Hamilton Jubilee event sponsored by Hans Enzler. Highest Hamilton score and gold medal went to Peter Rust and another eight of us got a lovely medal. Thank you Hans.

As you can see, this tradition is supported well. Long may it continue!
Many thanks to our club for their support.

Hans Vetsch, Riflemaster

Card Evenings

Our card evenings for the 2006 season got off to a good start, with the first one taking place in Matamata 28th April. Max was at the Hall very early and the tables and chairs were already set up and ready as the first people started to come in. And because most people arrived well before time, we were quickly able to make a start with the medal Jass, in which 28 players participated.

Once this match was completed, all 44 players could commence with the first round of our annual Club competition to find out who would become this year's card playing champion.....

The first three rounds were followed by a tasty and filling supper, as well as a chance for a catch up with friends, before the next three rounds were played.

Tables and chairs were then cleared away before the lucky prize winners were able to choose from a lovely selection of prizes. And despite the late start because of the Medal Jass competition having to be completed first, it was not quite midnight when everyone was able to head off home – thankfully, into a rain and fog-free night! Two weeks later, 46 players came along to attend our second evening in Cambridge. Once again, the hall was opened, set up and heated in good time. Playing quickly commenced with a further six players trying their best to win a medal in the Medal Jass.

(This brought the total to 34 entries in the card competition, and a total of 149 participants in the four Society sports.) With the Medal Jass soon completed, players were soon busy with the first three rounds of competition, taking a welcome break as supper was served. And with everyone once again full of energy - for many with the help of that age old favourite, Kaffee Schnapps - the final three rounds of cards were soon underway!

Following the clearing up of the hall, Hans Vetsch gave a brief report on the previous shooting weekend held at the Auckland Club Farm, which was extremely very well attended. The evening's card winners were then announced and prizes selected. Already, we can clearly see a few leaders are beginning to emerge, but of course, there are still four more rounds to go.... A big thank you to everyone involved in the organisation and running of the card evenings, and for the lovely suppers. Grateful thanks also to all those people who have brought along extra prizes.

The card evenings are enjoyed by people of all ages for a friendly game of cards. We look forward to seeing you at future evenings.

Past Events...

April 22nd AGM

A pleasing amount of interested members arrived at the clubhouse to hear the happenings and the intention for the future. The minutes of last year's Annual General Meeting were accepted. The president's annual report recapitulated the clubs functions of the year. The treasurer's report was presented with perfection but to everybody's regret Petra will not be available for re-election. The Riflemaster was very happy with the increased participation at the Practice Shooting.

We are delighted to have two new committee members. Rahel Williams and Isabelle Richter. The committee is looking forward to working with them and is hoping for some new and innovative ideas.

Heinz proposed that the Membership fees should be increased by 10 dollars. The proposal was supported by many members and accepted.

Rule 3b of the Wellington Swiss Club Rules has been amended.

The election of a delegate from the Wellington Swiss Club to the Swiss Society AGM in Taranaki is important, to make the transition of the Helvetia from Taranaki to Wellington smoother in June 2007. Roland Schütz is

elected to be proposed as Vice President for the Society. He will also look into the technical side of the Helvetia.

May 7th EuroFest in the Eventcenter in Wellington.

It was an overcast, grey Sunday morning as we have had many lately and the organizers had been in the Event Centre since 5 am to get the venue ready for the Embassies, Cultural Clubs, Business and Entertainers. The TV crew was filming and by 9 am the doors were opened to the public. There were 48 stands of countries represented with some cultural food, display of crafts and some activities. The Wellington Swiss Club decided to make a Raclette. Max managed to get some French Raclette cheese from Moore Wilson. Roland cooked and brought the potatoes to the Event Center and by 9.30 the team of Monika, Max, Peter, Craig and Vreni were ready to serve the public. The Embassy Table was a picture of colorful leaflets and decorations of Swiss Flags. Many leaflets were handed out in a bright red bag with the Swiss Cross to interested parties. The Ambassador Mr. Nobs and Mrs. Knoepfel Nobs were advocates of our country the full day and were a great support to us all. Thank you from the Eurofest Organizers and the Wellington Swiss Club.

Forthcoming Events...

Petra and Rahel are the experts and will guide the children and their helpers in the activity. If you are interested please give Petra at 563 8600 or Rahel at 461 7118 a call so that they will know what to prepare and can tell you what to bring.

Please put the date in your calendar.

Auckland Swiss Club

On April 27 we held the Cowbell Semi-final at the Swiss Farm at Kaukapakapa. It was a great pleasure to see our Hamilton friends again and play, eat and compete. I was not actively involved in the competition but I know that in the end it came down to the wire and another round of cards was going to decide the fate of this competition. And just like Roger Federer at the Masters Tennis Tournament in Rome we lost, but only just. So there will only be a small number of Auckland Swiss down there at Kaponga. It should be fun though. All play and no Competition. We are looking forward to the week-end and to seeing our friends from all over the country.

And of course there was the Club AGM at the Farm on April 29, followed by a tasty meal from our resident chef, including yummy soup and tasty lasagne. Several Committee members resigned this time and we thank them very much for their contribution to the Club. They are: Sandra Hess, Egon Eberle, Barbara Ashton-Egli. Heinz Matsyk has resigned as Treasurer, but we are so lucky that he will stay on the Committee for another year. He knows everything about this club I think. We are very lucky to have found a well-qualified new Treasurer in Carmen Gordon, Hans & Lea's daughter. Also new on the Committee is Pascal Sigrist whom we welcome to the group. You can see that we have not sufficiently been able to replace the Committee members who left. So if you can, give us a year or two of your time and enthusiasm. You make friends, learn to make decisions, Swiss ones, and get to make new friends. I can only recommend it. Even if you

are not available for every meeting, it's all right, believe me! I am going away for seven weeks altogether this European summer and they are still having me on the Committee! Please phone any Committee member if you want to join us.

50th Jubilee of the Auckland Swiss Club. Do you know that it is going to be on on October 7 at 6.30 p.m. at Springs Restaurant at Western Springs. There will be a Band, Yodelling, a ladies choir performing, a Tombola with fabulous prizes! Make sure to secure tickets for yourselves early, that is as soon as they are for sale at the usual outlets. The start of ticket sales will be advertised here in the Helvetia. There will be posters around town.

Seniors' Tea Party.

This Jubilee event for older and not so old members was held at the charming Rothesay Bay Residents' & Ratepayers' Hall on the North Shore. About 60 members attended. Edith prepared savouries and cakes, there was wine and juice, coffee and tea and much reminiscing and meeting new people. Again the Jodlers performed brilliantly and so did the ladies choir, which gave people a chance to participate. It was a real pleasure to be there and we are thinking of making it an annual event.

I hope that for next month's edition someone will write about the Candlelight Dinner. I will not be there. Just tell me if you want to offer.
