Past Events...

The Family Walk was planned for Sunday 29th October but unfortunately the weather wasn't on our side and it ended up being a very cold, windy and rainy day. Most of the committee ended up planning other things so we are not sure if anyone turned up at the Arapuni Dam for the walk or not. If someone did turn up, our apologies and hopefully you were able to enjoy your day. In future, we will put a committee person's name and number down as a contact incase the weather is not so agreeable.

Forthcoming Events...

The Family Christmas Party - will be held on Sunday 3rd December, 11am at the Newstead School, Morrinsville Road just east of the cemetery. Please arrive promptly as there will be entertainment for the children before lunch, probably about 11.30am. For lunch the club will provide grilled bratwurst, bread and drinks but bring your own snacks. Coffee and biscuits will also be served. Santa will arrive later in the day and this year the club will be providing a small gift for each child so you do not need to bring presents. Please bring your own tennis rackets and

balls if you want to make use of the facilities. As usual, we will be having a raffle table so hopefully you will bring enough cash to support this cause. If you would like to bring a small prize, this would be even more appreciated. There are no other costs to members for this day. The pool will not be available for this function.

22nd February - Farm-stay for Swiss Farmers. Thanks to those families who have offered to host one or more of these guests. As soon as we have definite numbers and an itinerary, we will contact you.

The 2007 Picnic - will be held on Sunday 25th February at the Newstead School. Shooting competitions will be held on the previous day at Elmigers property in Karapiro.

Weekend Hike and Berner Abend will be held on 24th and 25th March at the Tokoroa Hut on Mt Ruapehu. This weekend will consist of some hikes, either big or small, and a catered dinner. The costs for the hut are minimal and the food costs will be shared amongst participants. The accommodation is in bunk-rooms and will be limited to the first 30 people. If there are more people or if anyone prefers to sleep in a motel or hotel nearby, this is also a possibility. We will be collecting names at the Christmas function or you can ring Anita (07) 856-2414, fax 856-2416 or email zuber@xtra.co.nz

Shooting Update. 50 meter shooting practice will take place at Elmigers property, 618/12 Maungatautari Rd, Karapiro on Saturday 17th February, 10am to 1pm.

The 50 meter shooting competition for the Swiss Society medals will be at the above address on Saturday 24th February, 9am to 1pm.

Please note : there will be no further correspondence regarding these events, apart from the club newsletter and the Helvetia, so please mark them in your calendar so you will not forget. I look forward to seeing you there.

300 meter shooting weekend in Auckland is marked down for 19th and 20th May. Again, please keep this in mind. I will get back to you on this one some time in the New Year. Merry Christmas and a Happy New Year to you all. Greetings, Hans Vetsch. For any further information regarding these shooting events, contact me on 021 658 733 or evenings on (07) 855-3294.

The committee would like wish all the members a very Merry Christmas and all the best for 2007. Please enjoy your holiday break and we look forward to seeing you at our functions in the New Year.

Dear friends,

As you can see from these lean pickings, the Jubilee has taken it out of us and with Christmas arriving, there is mainly Santa to look forward to at the Farm on December 3 from 10.00 a.m. We hope to see all of you there with your children. The Auckland Swiss Club Committee wish you a Merry Christmas and A Happy New Year.

Past events

In October and November the only sub-committees to be active were the keglen and shooting clubs. They both have regulars attending, but would love to see some new faces ... give Johnny and Mark a ring to see what these two sports are all about.

The committee would like to wish everyone a Merry Christmas and all the best for the New Year. Please do support our activities in 2007.

24 November We held our, now, annual committee barbeque at the Club House. This is a wonderful social occasion for the committee, who normally work at functions and don't have that much time to catch up with each other. Many thanks to Leo and Doreen for undertaking the barbequing duties, and did a great job ... didn't even burn anything!!! Judging by the noise (talking) everyone had a great time, and Marlies, Myrtha and Daniel even had time to put up the Christmas Tree ... thank you very much!!!

Forthcoming Events

December - We look forward to your support at the New Years' Eve function, which will be held in conjunction with the Campervanners. Happy Hour starts around 4.00pm, with a BYO BBQ at 6.00pm, so bring along your meat and salads and enjoy the company of our members and meet some new faces from the Campervan Club. Entertainment is always fun, and if you have an item to share, please don't be shy!!!

22 January - Othmar and Marlies Hebler are hosting a group of 17 Swiss farmers from the Luzern area for several days in January. They would like to hold a pot-luck tea at the Club House on 22 January at 7.00pm, and would like as many members as possible to attend and have a chat with these farmers. These groups always find their stay in Taranaki one of the highlights of their trip, and the pot-luck tea is treasured by them. Please make every effort to attend and enjoy their company.

February 1 & 15 Keglen will be on at 8.00pm. Come along and have some fun. Start practicing for the Society competitions which will be held in May.

February 11 Our Annual Picnic will be held on this day. This is a great social event ... with plenty of activities organised, and many people to have a chat with. The "Schwingen" is always the highlight ... so come along and have a go, or just support the competitors ... you'll enjoy this "Swiss" sport. The delicious cervelats and bratwurst from the Swiss Deli, can be purchased hot off the barbeque, with liquid refreshments also available. The Tombola is a hit with everyone ... some great prizes to be won!!!

So come and support your club in its' biggest function of the year ... you are sure to enjoy yourself, and catch up with people you haven't seen for some time.

March 1 & 15 Keglen again ...

March 5 Our Annual General Meeting will be held on the 5th March, and we look forward to your support ... hear what

happened in the previous year, and help us to look forward to the coming year ... take an active interest in your club, and attend. March 18 Championship / Society Shoots at 1.00pm. Mark, as always, will be there ... and would like to see you there!!! -MD

Sorry there are no English subtitles, French and Italian only, for an alternative program, there is a great bar where people can have a good catch up.
