HELVETIA

It is set on the River Tamina, is one of Switzerland's foremost spa resorts. Its thermal springs are used to treat rheumatism and respiratory disorders, and also to promote general health.

The resort has several indoor and outdoor thermal pools. The best-known are Tamina-Therme, which are in the centre of the resort. ???? also has an early 18 th-century parish church with Baroque wall paintings. The town hall contains a display of paintings and other graphic works of art of ????? and its environs. As well as skiing on the slopes of Pizol, ????? offers golf, tennis and other sporting activities. It is also an excellent base for hiking in the surrounding hills.

About 5km south of ???? is Bad Pfäfers, a spa town with a beautiful Baroque church and former Benedictine monastery that now houses a museum of local history.

Southwest of ????? is Taminaschlucht, a deep gorge carved out by the rushing waters of the Tamina. Also of interest is Sargans, with beautiful Neo-Classical buildings and a Gothic castle.
