Past Events...

The Family Christmas Party was held on Sunday 3rd December on what was a very warm and pleasant day. The some-what depleted committee was ready about 11am but it was nearly half an hour before most families turned up. To begin with, we were entertained by Rainbow the Clown. Children and also some adults were treated to some colourful face-painting and then the children went inside to play some dance and fun games. It wasn't long before the BBQ got fired up and soon we could smell some delicious Bratwurst getting cooked to perfection. There were many hungry mouths to be filled and soon all the Bratwurst disappeared. After lunch, the committee sold raffle tickets with the opportunity for some lucky people to choose from 8 mostly donated prizes. Some prizes were sponsored by the club, but most of them were kindly donated by members. Many thanks to everyone and congratulations to the lucky winners.

Following lunch and raffles, the committee served up a great selection of home-made Christmas biscuits which of course are always very popular. At the same time children had a visit from our ever-popular Santa. This year

the club provided presents and luckily we had enough for everyone. Again, a very successful day enjoyed by all. Many thanks to all the helpers, in particular those not on the committee but prepared to help out when needed.

Forthcoming Events...

Saturday, 24th February - Shooting competitions (see shooting report below).

Sunday, 25th February - Annual Family picnic will commence at 11am at the Newstead School, Morrinsville Road. Again we hope for great weather and a great turnout. Please arrive promptly if you wish to participate in some of the many events on offer. As usual we will be doing Swiss Society Medal bowling as well as Hamilton Club trophy bowling, junior trophy bowling (under 12 years and under 16 years), and prize bowling (3 people bowl, 1 person wins Landjaeger prize). There will also be Swiss Society Shot-put competitions for both men and women. Please note: to participate in Swiss Society competitions, you must be an affiliated member. Also for trophy competitions, you must be a Hamilton club member. If you are bringing visitors, please make them aware of this. They may compete, but will not be eligible for any medals or trophies. Throughout the day we will also be offering grilled sausages, cakes, coffee and cold drinks for you to purchase. As always, we anticipate a busy day and therefore ask for some volunteers to help out on the roster.

club can take responsibility for children while swimming and also while using the adventure playground.

Weekend Hike and Berner Abend will be held on 24th and 25th March at the Tokoroa Hut on Mt Ruapehu. This weekend will consist of some hikes, either big or small, and a catered dinner. The costs for the hut are minimal and the food costs will be shared amongst participants. The accommodation is in bunk-rooms and will be limited to the first 30 people. If there are more people or if anyone prefers to sleep in a motel or hotel nearby, this is also a possibility. If you would like to come along for this weekend, please ring Vitus on (07) 855-2841 or email raevit@xtra.co.nz

Shooting Update: 50 meter shooting practice will take place at Elmiger's property, 618/12 Maungatautari Rd, Karapiro on Saturday 17th February, 10am to 1pm.

The 50 meter shooting competition for the Swiss Society medals will be at the above address on Saturday 24th February, 9am to 2pm.

Please note: there will be no further correspondence regarding these events, apart from the club newsletter and the Helvetia, so please mark them in your calendar so you will not forget.

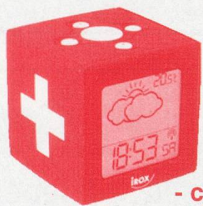

300 meter shooting weekend in Auckland is marked down for 19th and 20th May. Again, please keep this in mind. For any further information regarding these shooting events, contact me on 021 658 733 or (07) 855-3294 - Hans Vetsch, Riflemaster.

The club newsletter and calendar of events for 2007 will be sent out mid-February to all club members, so look out for this. We look forward to a great year of club activities for you all to participate in.

PS - We would also like to let everyone know that one of our long-standing committee members, Heidi Leuenberger, has resigned from the committee due to poor health. We wish Heidi all the best and hopefully some improved health fairly soon. All your bread baking as well as other contributions will be sadly missed by all. Take care.

Past Events:

A Double Birthday Celebration at the Farm On Saturday, 13 January 2007, Oscar Roggen(65) and Hans Enzler(80) celebrated their respective birthdays in style. The farm buildings were beautifully decorated in shades of blue, Edith's clever and beautiful floral table decorations sported alphorns for Osci and hens and roosters for Hans's side. Osci was the compère of the show and did

it all so well. Everything went swimmingly: Osci and Albert played the alphorns to start the musical part of the evening, then The Jodler sang beautifully as usual, the Lady Singers under the guidance of Nelly Steinemann, sang a specially created birthday song in English for the two birthday boys to the tune of "Freut Euch des Lebens...". At the same time there were two overhead projector images, each one representing the place of origin of Hans and Osci. After a tasty and plentiful meal there were the above musical items and then the dancing started to the tunes of the Holzacker Band. Everybody enjoyed themselves enormously and why should they not, at a splendid yet familiar and friendly party like this one. Heidi Wilson.

Santa came to the Swiss Farm – Sunday 03 Dec 2006

Bright sunshine and a touch of drama started the day. Some of the old hands had arrived at the farm early, Trudi and I were to get organised for the Kasperli (puppet show, for the un-initiated). But so much for planning ahead: The taps were dry! The main water tank empty, accidentally drained. What a panic! How could we possibly have an event for over 100 people without water? Swiss Kiwi ingenuity saved the day: Fortunately an unconnected tank still had fresh water. Like Jack and Jill pulling water from the well, Trudi lowered one bucket after the other from the spare tank and replenished the main one, until we could cater for the crowd. Few of the guests even realised this drama had occurred! Just as well there WAS water: A record number of over 120 people joined in the festivities. The children enjoyed the Kasperli. Francisca Knarston then played us a lovely tune on her recorder, accompanied by her mum Pia, and our women singers presented a potpourri of German Christmas songs. Soon the smell of the Swiss Sausages wafted through. We were treated to tasty Bratwurst and Cervelats, barbecued to perfection by Ernst and Heinz, with real wholemeal Swiss bread, and for those who still had some space left there were delicious strawberry tarts. A secret tip: strawberries from the Kaukapakapa Strawberry Fields in Waitoki are much sweeter than the ones we buy in the supermarket, as they let them ripen in the field! There were also beautifully decorated, tasty gingerbread hearts which had been generously donated by Edith Müller, the Master Chocolatier / owner of 'Organic Delights'. The man in red was not in sight yet. So Edith Hess organised cookie-painting for the children. Finally there was a roar in the sky that we had all been waiting for. Santa Oscar made an impressive arrival in the helicopter. Again he did an excellent job finding the right words with every one of the 60plus children. We greatly appreciated his skills. Our own long grown-up children still reminisce on their Swiss – Kiwi Santa experiences, and I am sure today's young folk will have a lasting impression of this Swiss tradition too. Thanks to all the organisers for another great event in the Swiss Club calendar!

The classic Swiss style Christmas dinner was another highlight of this month. Savory ham with a wide selection of freshly prepared salads, Gluehwein, Zopf and Strawberries with Ice Cream and Meringues were served. Familiar Christmas melodies were to be heard, played by our brave in-house violin quartet that threw in some solos as well, and sung by everyone.
Roland praised the ones that made special contributions to the club during the year 2006, and handed out yummy chocolates. Many thanks to everyone's contribution!

Christmas Shoot - this was held on 26 November with a good number of participants. People had the choice to shoot or skittle and, as everyone had brought a prize with a minimum value of \$10.00, so all participants received a prize in return. Thirty-seven people took part in the competition, twenty shooters and seventeen skittlers. During the morning, the children made lovely Christmas trees with beads, bells and various other decorations. There were many helpers, who seemed to enjoy the craft as much as the children!!! Thanks to Erna and Heidi for organising this activity which the children enjoy. With Lisette's help and Margaret playing the piano, the children sang a few Christmas carols for Father Christmas, before he generously handed out some presents. A delicious pot-luck lunch was held before prizegiving was underway.

Results : Shooting - top score of 49 points Remigi Zimmermann with runners-up Emmi Kiser, Othmar Hebler, and Mark Kiser all with 48 points. Third place with 45 points were Helen Werder and Joe Kiser.

During December your committee spruced up the club house, and undertook extensive cleaning and maintenance duties. Many thanks to all those who gave their time to do

these jobs ... the hall looks great. A couple of dying trees were cut down which was a major job ... but now the grounds look far better with these dead trees removed. Leo helped with cleaning up the wood, and after a good sweat-up went home for a well-earned shower ... only to find that he had lost one hearing aid! This doesn't help with his selective hearing, does it Doreen????!!

Anyway Leo duly rang the insurance company, thinking that he would be looking for a needle in a haystack trying to find such a small item in our extensive grounds. The insurance process was underway ... when ... Doreen and Lisette thought that they would go and clean their designated area. Leo tagged along ... thinking he would look around a little bit ... and low and behold ... he stumbled across his lost hearing aid near the area where the trees were cut down!!! Well, was he surprised????!! Leo couldn't believe his luck ... and we are certainly happy that he found his small hearing device!!! Needless to say, the insurance company received another call ... and they couldn't believe his luck either!!! I guess that was your Christmas present Leo!!! Once again, thanks to all our committee members, and also Tim Bishop, who helped with the cleaning and maintenance ... and to Othmar for getting everyone motivated!!!

New Years' Eve - held, of course, on 31 December!!! Leo, Doreen, Rudi and Lisette had the Club house open by lunch time, for a steady stream of campervanners to drift in all afternoon. 29 campervans were parked on our lovely grounds ... many thanks, Johnny, for keeping our grounds in tip-top condition throughout the year. All the campervans made the place look like a little village!!! At 4.00pm happy hour was held with a BYO BBQ tea held at around 6.00pm.

Everyone could use the clubs' barbeque, and ate either in their vans or in the club house. Entertainment is always great ... there was music, jokes, dancing and skits ... which the audience really appreciated. A delicious supper was enjoyed by everyone, with the traditional coffee schnaps also available. The old year was seen out, and the new one welcomed, and several stayed up until the wee hours of the morning. A very good night, where we are grateful to have our campervanning friends to help make a good crowd. -MD

Sepp Kiser, winner of the Ted Napflin Memorial Shooting Trophy. After many years of shooting, with very good results, this was the first time Sepp had won this trophy. Well done, Sepp!

Forthcoming Events

February

1 & 15 Keglen recommences after the summer break. Do join in the fun, and give Johnny your support. Get some practice before we take on Wellington in the semi-finals of the Cowbell Competitions, and also the Society competitions which will be held in May.

11 Our annual picnic will be held on this day. With hopefully, some good weather, we anticipate a great crowd. It is a good day for socialising, as many of our members only come on this day, and we even attract a few non-members ... so come along and enjoy yourself ... buy a cervelats or bratwurst hot off the barbeque ... or even one of each would go down well!!! Liquid refreshments are always available for purchase ... both alcoholic and non-alcoholic. The highlight of the day is the "Schwingen" which attracts good participation, and most certainly a good crowd. The Schwingen caters for adults and children alike, so come along and bring your children or grandchildren and get them to give it a go!!! They all seem to have great fun getting covered in sawdust!!! As usual a tombola will be held, so please support this fundraiser. Children's activities will be held, so there should be plenty for kids to do. Your committee looks forward to seeing you there!!!

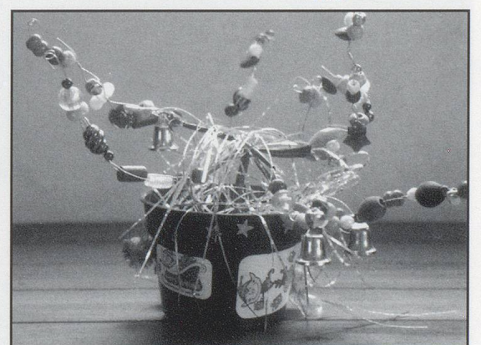

March

1 & 15 Keglen again ... from 8.00pm.

5 Our Annual General Meeting will be held at the clubhouse at 8.00pm. Come and reminisce about the past year, and help your committee plan the year ahead.

18 The smallbore shooting club will be holding the Championship / Society shoots from 1.00pm. Mark is looking forward to your participation, so let's keep him happy!!!
