TARANAKI SWISS CLUB

Past Events

The last card afternoons for the year were held in July. Sadly, there have not been sufficient players for the euchre, so if you have any ideas of what people who don't play Jassen could do, please talk to a committee member. Here are the results from the last two afternoons:

Jassen

8 July

1st Albi Schuler

2nd Heidi Seifert

3rd Heidi Werder

Booby Agnes Buhler who won the cut against five others!!!

The lucky raffle winners were Myrtha Seifert, Zeno von Hospenthal, and Berta Hughes.

15 July

1st Heidi Seifert

2nd Mathias Seifert

3rd Berta Hughes

Booby Othmar Hebler

The raffle winners were Othmar Hebler (at least you had some luck!!!), Walter Seifert, Freida Meier and Myrtha Seifert.

Thank you very much!!

On behalf of the Taranaki Swiss Club committee, I would like to thank the Mathys family very much for their generous donation, which has allowed us to purchase tables and chairs from the Kaponga Bowling Club which has gone into recess. The new assets certainly make our club house look much better, and the chairs are far more comfortable!!! Thank you also to Leo Danz and Christian Padrutt who transported the chairs from the Bowling Club to our Club House.

1st August Celebrations

On Saturday 28th of July we held our 1st of August celebrations at the club house. Approximately 110 people enjoyed an evening of cultural entertainment and good company. We were all greeted with a lovely drop of "Gluehwein" made expertly by Margaret Bishop ... many thanks for the delicious drop, Margaret; it was greatly appreciated.

Everyone attentively listened to the speech by the President of the Swiss Confederation, Mrs Eveline Widmer-Schlumpf, followed by the singing of the National Anthem. The singing group, a little depleted due to members being away or sick, sang beautifully and set the tone for the evening with a sing-a-long of Vo Luzern uf Wäggis zue.

Othmar then played the Alphorn beautifully ... you could have heard a pin drop, the audience was so quiet!!! Several trophies were then distributed to worthy recipients – the Jassen Cup was awarded to Heidi Seifert for coming first overall during the winters' card afternoons ... Walter Seifert was second and Margrit Dudli third ... well done to you all.

The Joe Dettling Memorial Trophy for Karabiner Shooting was presented to Mark Kiser ... well done Mark ... another shooting award!!! The Len and Mollie Chamberlain Trophy was presented to Marianne Drummond for regularly contributing our Taranaki Swiss Club News to the Helvetia magazine.

Erna and Heidi had put together some wonderful tombola prizes, and the tickets were rapidly sold ... some had a great return on investment, and others gave a donation ... that's the way with raffles!!!

While the tombola was being sold, a group of members got prepared to present us with their play ... the Battle of Sempach. This legend took place on 9th July 1386 with the hero being Arnold Winkelried.

Martin and his team did a great job presenting this interesting and very dramatic play ... thank you all very much for your wonderful contribution

to our evening. Everyone enjoyed your classy act!!! Every year that a play is acted, an "Oscar" is awarded, and this years' worthy recipient was Jacinta Fitzgerald ... well done, Jacinta ... this could be the start of your acting career!!! (for pictures, please go to page 19).

An absolutely delicious supper was organised by the committee ladies ... cold cuts and cervelats from the Swiss Deli and cheese from Mercer, followed by various items of "Swiss" baking which were scrumptious!!! Many, many favourable comments were heard ... eating is just such a wonderful hobby!!!

It's amazing how quick an evening can be filled ... but everyone seemed to enjoy this cultural mix of entertainment!!! I would like to thank all our members who sold tickets for the evening ... the time you put in is appreciated. Thank you also to everyone for attending the evening and making it a success.

The following day, committee members that could spare the time came along for clean-up, followed by a committee meeting and lunch (a delicious soup made by Marlies and luckily there were sufficient leftovers from the night before!!!). And then some weary souls still had energy to play a round or three of jass!!!

22 July Cookie baking

Rahel prepared dough for cookies and Zopf braids. The big kids loved cutting out their cookies and learning how to plait the loaves while the toddlers had fun on the floor. Thank you Rahel for making this possible!

1st of August Bon Fire

Making Zöpfe and Gutzli

It all started with two men: Heinz Jaggi and Peter Hynes, without them there would not have been a fire. They had been working weeks beforehand collecting all the firewood, getting permits and organising the fireworks. And luckily no fire brigade this year. But sadly Theres Scherrer broke her arm, hope it gets better soon. Once the huge and hot fire was underway we let off the fireworks, I loved the big finale. We sang some Swiss songs around the fire and roasted marshmallows. The sausages and drinks were delicious, thanks Trix and team. There were about thirty people there enjoying it, awesome job to all those who organised the bonfire, it was a great success. *By Sam Simons*

4th August dinner

Thanks to everyone who helped prepare this event, despite all the hospital emergencies, broken arms and surprise babies. We had a yummy dinner, prepared by Rahel, Roland and Erika, to name just a few.

Little Clem and Jayden enjoyed seeing each other again, after having met at the Swiss Club when they were four months old.

Thanks to Theres who had prepared the lyrics, so we could sing some traditional songs, and managed to sing one in French too!

Jayden and Clem

8 September Fondue

We had a fantastic turnout, especially since we were competing with the only All Black game in Wellington for the year! — and yes, the ABs won! We welcomed a few new and returning members to the Wellington Club. John Jordan, our raffle master, handed out the medals.

We also held an impromptu Extraordinary AGM to elect our new treasurer: Craig Press (job sharing with his wife Petra) – Thank you to both.

Swiss National Day Celebrations, Sunday 29 July

Nearly 100 people - young, old and in-between were booked for our annual lunch-time function held at the Matangi Hall. The hall was beautifully decorated with flags and lanterns, and soon everyone arrived and the hall was pretty full. Big pots of sauerkraut, potatoes, speck, ham, frankfurters and gabanos were put out buffet-style and everyone lined up to help themselves to a delicious lunch, courtesy of a few generous people on the committee who offered their time to make the sauerkraut from scratch. Everything proved very popular and lots of people went for seconds and maybe some even for thirds!?

Following lunch the children did their lampion parade and all the children received a small parcel of goodies to eat while the adults listened to the President's speech and sang the Swiss national anthem as well as a few extra Swiss songs. Raffle tickets were then sold and drawn.

Congratulations to the lucky winners and many thanks to the people who donated prizes for the raffle table and to everyone for buying tickets. Soon it was time to put out the dessert buffet – what an amazing selection of home-made baking. You wouldn't find better at the bakery or cafe in Switzerland. Many thanks to all those who provided baking – it is always much appreciated by everyone.

The committee also appreciates all the extra help with clearing tables and dishes etc., as these functions always involve a lot of hard work by a few dedicated people and of course, many hands make light work.

Family Walk, Sunday 26 August

Fourteen adults and 5 children, led by the Achermans, explored some of the gullies around the suburban area of Chartwell, which were new to many of the group.

The weather was fine, the walks very pleasant on boardwalks and tree-lined paths. Lunchtime found most of us at a Westfield Centre café. Afternoon tea was enjoyed at Waldvogels, followed by a card-playing session for the rest of the afternoon.

National Day celebration 28 July at the Danish Club

Once again we celebrated our National day in style. Some 130 Swiss with family and friends were greeted with a traditional mulled wine – thank you Pia – in the beautifully decorated hall – where do you get all the ideas from, Edith? The program ran very smoothly, thanks to our chef Edith, her skilled young helpers, and Adrian who kept it together. We thoroughly enjoyed the typically Swiss meal – oxtail soup, ‘Bernese Platte’, and choc mousse with berries and something else, at least for the adults! It was very pleasing to see young and the young-at-heart to participate in entertainment. What a lot of talent there is in our club! Thank you all, to Natalie Hess for your trendy song with electric guitar, to Oliver Hess for your great drum solo, Tessa Deutsche for a beautiful and a very funny piece on your harp – such a privilege to play with you, to Albert Ryter for his wonderful performance on the Swiss Accordion, to our Ticino soldier Peter Vogel, funny as ever, to Ursula who can make a saw sing, to my wonderful versatile friends in our choir, and to our Yodlers and alphorn players, so special to hear and see you.

Thank you to all you guests, I hope you enjoyed it as much as we did!

1st August at the Swiss Farm: The REAL National Day

Some 20 of our diehard members braved the weather. I gather the rain JUST stopped long enough to light and enjoy the bonfire. Judging by the photos, it certainly looks they had a great time. Maybe I join them next year, the desserts look very inviting.

Friday 10 August, 7.30pm: Jassen at the Danish Clubhouse, 6 Rockridge Ave, Penrose

Saturday 18 August: International Evening at the Danish Club

12 of us accepted the invitation of the Danish Club and had an interesting cultural evening. We sampled some amazing food. They call it ‘sandwiches’, certainly different from mine! An assortment of many seafood specialties for entrée, followed by even more different meats, and a choice of desserts from various countries, including Edith’s Bündner Nusstorte. It was good to see some of the other clubs’ entertainment – dancing groups from Austria and Denmark, singers from Germany, a saxophone player, and most importantly, Albert Ryter who played the alphorn and later his “Schwyzerörgeli”. I found it interesting to talk to people from other Western European clubs. A lot of similarity with ours.

HOUSEHOLD HINTS: AFRICAN VIOLETS

Future Events

Family Walk, Sunday 4 November

Our next walk and get-together has been planned for the Karangahake Gorge and the meeting point will be at the Waikino Train Station at 10am. Bring a picnic lunch to take with you. The area is also suitable for biking as this is part of the Hauraki Rail Trail so if you have a bike and want to bring it along, you are most welcome to do so. There will also be an option to take the train in to Waihi (subject to availability) for those not so keen to do lots of walking or wanting to do something different whilst in this area.

Family Christmas Party, Sunday 2 December

Again we will be meeting at the Newstead School at 11am for this function so keep this date free. This is a family function for young and old so come along to share the Christmas spirit with others. There will be various activities for the children and the committee will provide a BBQ lunch but everyone is asked to bring some baking to share with everyone for afternoon tea. **AZ**

Friday 07 September: Fondue and Quizz night

What would a Swiss Club be without a proper Fondue? Actually we don't know as we have at least one per year at the annual Fondue Night where we share the joy of dipping our bread pieces into the tasty molten cheese as Swiss tradition commands.

46 people showed up at the Danish House to get a taste of Edith's new secret cheese mix. I guess it's not that much of a secret if you ask her nicely. She proved that a proper Fondue is possible with New Zealand cheeses as well, which is not too small a feat.

Everybody enjoyed the social gathering that such dinners are and for a change we used a little bit more modern music in the background. Well fed, the attendants then tackled the tricky quiz questions put together by Nelly and the paper dart competition. This year, team Zurich took away the prize consisting of a box of Toblerones.

The evening was finished off with a nice fruit salad and many stayed on until late with a glass of wine or a coffee or tea. A huge thank you to everyone who helped making that evening possible and especially to the ones cleaning all the gear and the kitchen afterwards.
