TARANAKI SWISS CLUB

Past Events

During the last few months, your committee has worked hard cleaning the outside and inside of the hall, and also improving some of the grounds and gardens. Many thanks to all our members who gave up their time to assist with cleaning and maintenance of the club house and grounds in various ways, especially Erna's sister, Marlies, all the way from Switzerland, who helped us clean the hall!!! Any help is always appreciated!!! Thank you to you all!!!

Keglen has recommenced with the competition starting soon. Please come along and join this fun-loving group ... besides the skittles, they enjoy a good chat, laughter, fun and a good supper. They would love to increase the numbers and make the competition fiercer ... so make Johnny's night and turn up!!!

Matapu District Jubilee Parade

The day before our picnic on the 8th of February, Matapu District (close to Kaponga) was celebrating their 125th jubilee and asked the Swiss Club if they would participate in their parade. We agreed, and we were so very lucky that the Sherman family and Zeno made the floats ... the theme being "past and present". They did an absolutely terrific job, and we were pleased to have many participants in the parade ... even though we got wet and then wind-blown!!! Thank you to Max and Alfred for the use of your tractors. What a shame to have so many umbrellas around which hid some of the floats ... but it was amazing to see so many floats participate in the parade, considering how small Matapu is. What a credit to the local community to have so many people taking part.

As many of us were wet and cold, we ventured home ... to be rung by Zeno later and told we had won first prize!!! What a credit to the Sherman family and Zeno for all the hard work they put in ... grateful thanks ... and we may call on you again!!! Thanks to everyone who came along to make our float "alive" and colourful!!!

Annual Picnic

On the 9th of February we held our **annual picnic**. Well ... the weather ... what can we say? Strong, cold southerlies blew through the grounds ... and fortunately we had a few campers and utes which were strategically placed to try and stop the wind ... and it did make a difference!!! A huge thank you to Mark Kiser for bringing so many gazebos for people to shelter a little bit from the wind ... usually it is sun shade we need, but not this year!!! Braving the wild conditions were the Ruchtis from Taupo, the Canzianis from Turangi, Trudi and the Simons family from Wellington, Herbert from Hamilton and our Swiss Society president Tanja from Auckland as well as several visitors from Switzerland ... well ... thank you all so much for making the extra effort to come along ... next time we'll try and put on a little sunshine for you!!! Reg and Rose came all prepared with their kiddies amusements, but sadly the weather prevented them from getting the bouncy castle up. At least it gave you both a bit of a chance to talk to people, rather than be tied up with children!!! Thank you to Yvonne who brought along her horse for many children to have a ride on ... at least horses still work in the strong, cold wind!!! We were grateful to you Yvonne for providing an extra activity for the children. Mark had the fishing under control and had a steady stream of participants; thanks Mark for doing this activity every year. Marcus had the shot put stone (for men) and ball (for ladies) going, with Daniel Potter winning the men's competition and Karen Angell, once again, taking out the ladies title. Congratulations to all the competitors and well done to the winners. There was a steady queue waiting for the barbequed cervelats and bratwurst ... at least something to help warm people up. A big thank you to New World Stratford for donating the bread for the barbeque ... we are grateful for your support. The bar was well-stocked, but somehow people preferred a cup of coffee to cold refreshments or an ice cream ... how unusual!!! Mr Schuler from up north came with many a box of "Zwetschgen", which people eagerly purchased ... they are truly delicious, and I can see many delectable treats being made over the next few months!!! After lunch, the "Schwingen" started with seven adults and thirteen children (divided into two sections) competing for the three titles. Othmar had organised a referee from Switzerland, and Abraham Krieger did a great job. Thanks to Othmar for

organising the prizes, to Marlies for donating a calf for the top Taranaki competitor in the senior competition, to Sami and Laura Werder for donating a lamb for the top Taranaki competitor in the junior section, to Martin, Silvia and Sonja for undertaking the administrative duties, and to Value Building Supplies for providing and transporting the sawdust for the wrestling. There were many tough bouts ... and the spectators really appreciated the efforts that all the wrestlers put in. There were only two Taranaki participants in the adult section, so come along muscly guys and enter the wrestling competition next year ... and give those Swiss tourists a run for their money!!! The senior final was between Kieran Luond (Taranaki) and Pirmin Ulrich (Swiss tourist), with Pirmin the eventual winner. The juniors title was fought between the Hess brothers Toni and Zeno ... and Zeno thought he had better let his big brother win ... no, just kidding ... Toni took out the hard-fought title and was proud to take home the lamb ... well done Toni. In the midgets, Trevor Walker and Daniel Drummond were in the final, with Trevor the conqueror. Well done, Trevor. A big thank you to all the participants, for without you there wouldn't be a contest. Congratulations to you all and a special, hearty well done to the winners. Besides the Swiss tourists who took part, a special mention must go to Murray and Sam Simons who came all the way from Wellington to take part ... I hope your stiff body has recuperated, Murray!!! Thanks for making the extra effort!!! Antoni brought down the hay bales for seating around the "Schwingen arena" and we were glad your good hay didn't get rained on!!! Thanks Antoni for bringing down the hay ... and thanks to Daniel and Richard Drummond who helped Antoni stack the trailer ... hopefully you got the load home without any bales falling off!!! Tombola tickets were sold and many lucky winners collected their prizes ... thanks to The Mill Liquorsave, Stratford, Ruedi and Lisette Benkert, the Swiss Deli, and Leo and Doreen Zehnder for donating prizes. Thank you, Heidi Werder, for purchasing the remaining prizes ... it was great to see so many prizes up for grabs. Peter Canziani, Zeno, and Othmar's Uruguayan visitor provided wonderful musical entertainment ... our grateful thanks to you all for sharing your talent. After the activities had finished, we packed up ... thankful that we hadn't had any rain!!! The ladies organised spaghetti bolognese and lettuce salad

Swiss Club News

for tea ... which everyone seemed to enjoy. Thanks to Erna and Marlies for making the "bolognaises" which were very tasty!!! Everyone enjoyed being inside and having a chat to friends and new acquaintances.

The committee wishes to thank everyone who came ... with such windy, cold weather, we were all pleasantly surprised at the good crowd. And there were many new faces ... we do hope to see you at many more functions and activities. Grateful thanks to everyone who helped on the day ... many hands make light work!!!

Josie Gillbanks sold some raffle tickets at our picnic for the Relay of Life, a very worthy cause, and wishes to advise that Levonne Wensor was the winner. Josie wishes to thank all those who purchased tickets and supported her fundraising efforts.

Annual General Meeting

On 3rd March, we held our Annual General Meeting, with 21 people in attendance. Othmar spoke about past year's events, and soon we will be able to look forward to the coming year (when the new calendar of events is published). All the subcommittee chairs gave a brief review of their year. As passed at our last AGM, our subscriptions will increase to \$15.00 per person (plus the Swiss Society membership fee of \$25.00). All office holders were re-elected and the committee has also remained the same ... thank you all very much for your loyalty to the committee, we really appreciate all the help you give!!! In the future, we hope to organise an activity or function for the younger generation, but we need their help also ... so if you have any ideas please talk to Othmar or Marianne, so that we can meet the needs of our "FUTURE"!!! There being little else to discuss, an enjoyable supper was held.

Trip to Wellington to play semi-final of the Cowbell Competition

Due to a smaller group, we travelled by van this time. With a couple of comfort stops on the way, we arrived at sunny Wainuiomata at 12.00pm. Members of the Wellington Swiss Club greeted us with barbequed sausages, and fine potato and carrot salads. The new skittle alley and additional new tables at the back made for a wonderful atmosphere all day. Lisette was so impressed by the newly finished toilets; she kept going there all day!!! Our shooters had a tough competition and finished just five points ahead in the end. The card players were

luckier and thrashed Wellington by five hundred points!!! Shot put looked like quite an even affair, till John Jordan took his turn and won this round for his team. All day the skittle tally kept changing as just about everyone had a go. But in the end, winning the skittles we did, and with that the whole competition. Thanks Wellington for the good camaraderie.

In the evening Odile, the Vice President, welcomed us all officially and then we sat down to a fine salad, followed by a typical "Swiss" meal (delicious Fleischvoegel) accompanied by vegetables and topped off by dessert. Nathalie had a quiz arranged about Switzerland, which was enjoyed by everyone. Our never tiring musicians Leo and Peter entertained in between ... many thanks to you both. In the morning, we took our farewell from Trudi after she spoiled us with breakfast at the club house.

As no-one was in a hurry, we drove home via the scenic Rimutaka Hills, with a lunch stop at Mount Bruce Wildlife Park. In Carterton, the driver enjoyed the flowers in the round-about so much we kept circling and eventually stopping at the Paua shop. Our Patea stop was meant to finally give us the big Lottery win ... sorry we have to keep dreaming!!! At least our "Lollyman Lou" never disappoints us with a never-ending supply!!! Thanks Lou and also a big thank you to Othmar for safely driving us home. We are all looking forward to the final here in Kaponga in June.

Past Events.....

Swiss Society Medal Shooting Competition was held on Saturday 22 February, with the practice shoot held the previous Saturday. Again, this was held at the Elmiger's property in Karapiro and many thanks to Erika and Ueli for allowing this and their generous hospitality throughout the day. A great turn-out on a very hot day! Thanks to Hans, our rifle master, for rounding everyone up and organising a good day's shooting.

The Annual Picnic was held on Sunday 23 February at the Newstead School with our usual big turnout of families, friends and visitors from Switzerland.

The weather was great and people gradually turned up and started lining up for the bowling which was busy throughout the day. Soon it was time for grilled Bratwurst and Cervelats and this was popular as always. Vitus and Rae organised games for the children and this year for the first time, they did a tug-of-war which has always been a popular Swiss pastime as well, so was very appropriate. I remember doing this about 50 years ago at the Risi property in Ngaruawahia. All children received chocolates, iceblocks and a lollie scramble, so everyone was happy. The adults were happy too, once the huge selection of home-made baking came out! Thank you to Rinaldo and Gritli Rust for providing all the Fasnachtchüechli and to everyone else who provided baking. Also many thanks to everyone who offered to help out on the day. This is always a big day for the committee so many hands make light work. See trophy winners below. These will be handed out at our Fondue Evening in September.

Past Events

BBQ & Sports Day - 26 January

That was our first event of the year. Despite the not so promising weather (it actually rained, more and more as the day went on), we had a good turnout, with members of all ages turning up during the day. As often at the BBQ, we enjoyed the visit of members' relatives from Switzerland, with Heinz's sister attending, and also even someone from the UK this year! The kids managed to go out for a scooter ride along Hair Street before the rain really kicked in.

Jassen – 2 February

We had three tables of Jassers - and three generations of Westermayers playing cards on this Sunday afternoon! Paul and Glenn had only arrived the day

before, but they certainly played very well. Glenn is a talent to be watched! Young and not-so-young, experienced and not-so-experienced-yet – we all enjoyed the afternoon and each other's company, and a cup of coffee and many good laughs.

Schwingen in Taranaki – 9 February

Once again the Taranaki Swiss Club put on their famous Schwingen Family Picnic. Numbers were down this year due to the weather, but it was still a great day out and of course the hospitality was exceptional (see their story for more on the event). Wellington only sent a small but enthusiastic contingent this year. Trudi wanted to enter the women's division but they decided to cancel it, so she missed out. Sam and Murray entered the intermediate and senior divisions, respectively. Both put up brave defences and made the locals work for their prizes, but ultimately Schwingen was the winner on the day. Murray forgets his age sometimes and should've known better. He ended up on crutches for the next week.

Jassen – 2 March

It is always a gamble (maybe very appropriate for cards): How many players will come this time? Will we play Schieber with four, or with six? Will we have a Chnächt? Will we have balanced teams? It usually works out alright – a great exercise in flexibility for all players. So join us and keep fit – and have a little chat with a nice cup of coffee!

Cowbell Semifinal – 8 March

Wellington turned up the weather for our Taranaki guests. After a light lunch, the shooters were off. Taranaki beat Wellington by a mere 5 points. How infuriating for us! Meanwhile, the rest of us enjoyed a lazy afternoon chatting and catching up with the accordion in the background, thanks to our musicians. Taranaki also won the Keglen and Jassen, and Wellington took the Steinstossen. Odile and Nathalie had a go at Steinstossen but, despite a very good effort, they were no match for Marlies and Sylvia. We will need to practice! Following the return of the shooters, we all had a delicious dinner. Thank you again to the wonderful volunteers who have worked so hard in the kitchen and produced another fantastic meal (where do you get all those great menu ideas!?!). After dinner, it was time for our Swiss Quiz. I was worried the questions were a bit hard, but there were some really good scores and everyone had a good laugh.

Swiss Club News

I wonder how many of you know who were the Federal Councillors on 1 January 1984. One Wellington member (who won't be named for his own protection) says he actually remembers learning it way back when at school and scored his team an extra 5 points.

A great thank you to our guests for their very generous donation and for buying so many tombola tickets – and for doing all those breakfast dishes; you are most welcome to come again!

Future Events

Annual General Meeting (AGM) – 6 April

Our AGM will take place at the Club House on Sunday 6 April at 2pm. The invitations and agendas were sent out a few weeks ago. Please let us know urgently if you haven't received yours. We are looking to elect more committee members so as to spread the load more evenly. Let us know if you are interested.

No Jass afternoon, due to the AGM. The usual jassers will have been contacted to find a different date/time.

Kids' Easter Craft – 13 April

Join us at the Club House from 2pm for a fun afternoon of Easter egg dyeing. We will dye our eggs the traditional way using leaves and grasses, stockings and onion peel. Please bring some old stockings and onion peels if you are able to (most supermarkets will let you collect loose onion peels for free). Please bring a plate to share for afternoon tea. Bring a few fresh eggs per child to decorate (do not pre-boil the eggs!).

For more information or to register, please contact Petra on 563-8600 or craigandpetra@xtra.co.nz.

Jassen – 4 May

The hard core Jassers will be reminded; newcomers of any skill levels are always welcome! Please ring Trudi on 56 28 019.

Fondue – 17 May

Our first fondue for the year! More details will follow. If you can, please bring a caquelon and forks. Nibbles and gluehwein from 5.30pm and fondue at 6.30m. To register, please email wellingtonswissclub@gmail.com or phone/text Nathalie on 021 024 205 81. This is always a sell-out, so don't wait too long to book!

Swiss Society AGM & Cowbell Competition Final in Taranaki – Queen's Birthday Weekend

No Jassen in Wellington, but if you want to experience a really professional level of Jassen, join the Wellingtonians and go to the Swiss Society Annual General Meeting and the Cowbell Final in Kaponga, Taranaki! I'm sure you will find Taranakians willing to have a game of cards with Wellingtonians. Remember: Taranaki only just beat us at the Semifinal! More details will follow about the trip to Taranaki for those interested in attending the AGM and/or the Cowbell Competition final.

Jassen – 6 July

The hard core Jassers will be reminded; newcomers of any skill levels are always welcome! Please ring Trudi on 56 28 019.

The committee is working on the events calendar for the 2014-2015, so please do get in touch if you have any ideas.

By the way, the Federal Councillors on 1 January 1984 were Leon Schlumpf, Kurt Furgler, Pierre Aubert, Rudolf Friedrich, Jean-Pascal Delamuraz, Alphons Egli and Otto Stich. How many did you get?

Beach Party weekend 22/23 February

Saturday walk: Only two people joined Adrian and two of his kids for the walk. The weather wasn't kind to them, so after walking in the rain for an hour, they cut it short and turned around. Seven people joined us for camping at Piha. We had a nice BBQ for dinner followed by a couple of drinks and an early night. On Sunday morning after breakfast, all of us drove over to Bethells Beach, where we walked over the sand dunes to Lake Wainamu. There, we met about 20 club members, including some Newbies for picnicking and swimming. The weather was just perfect – mostly nice and sunny,

and the refreshing southerly wind was very welcoming on the hot black sand!

Seeking Swiss Talent!!!!

Have you ever been involved in a theatre production or had the wish to perform in some capacity?

We are looking for people interested in performing small sketches or appearing in short theatre productions at future Swiss Club events. No, you don't have to be a pro. A good dose of enthusiasm is all you need. We are also looking for people to make some music. We are particularly interested in people who play the trumpet and/or the clarinet. For more information or to register your interest in participating, email Emil Tellenbach at telli@clear.net.nz, or phone 09 815 1643.

Obituary

Hermann Odermatt-Arnold

1942 - 2013

Hermann and Dori came to New Zealand in 1967. They had five children, all born in New Zealand. Hermann farm-worked/share-milked 39% and later 50% at Horsham Down on the same town supply farm. Later, they bought their own farm near Te Aroha and worked the farm there for three years.

Hermann played the Clarinet, making music with Heiri Oettli and with the singing group in those days. This was much appreciated by all.

The whole family returned to Switzerland in 1979, after Hermann travelled to Switzerland following the death of his brother.

On returning to Switzerland, he worked with another brother at the Käserei Dallenwil. They made goat cheese amongst a variety of different cheeses, supplying their products throughout Switzerland.

Recently, after entering hospital due to breaking his upper leg, Hermann was diagnosed with cancer. He died on 26th December 2013, after the family celebration of Christmas.

The Swiss Community here in New Zealand extend their sympathies to the Odermatt-Arnold families.
