### Past Events

#### Cowbell Semi-final Interclub Competition and Club AGM

On 28th April we were all prepared to host our Auckland Club friends for a day of Cards, Bowling, and Shot put competitions – however at the last minute, they advised that they were not able to come to Hamilton, and therefore, with some disappointment, we had won the competition by default.

Later that day, we also held our Club Annual General Meeting with about 26 members in attendance. Our committee remains unchanged for the next 12 months, except for the addition of both Manuella Epp and Heidi Fransen. Welcome to you both!

The meeting was followed by a light dinner of barbeque sausages and snacks.

#### Society AGM, Wellington

About 20 Club members travelled to Wellington over the Queen's Birthday Weekend to represent Hamilton at the Society AGM, as well as the final of the Interclub Sport's Competition. We started on the backfoot, having already lost the shooting competition against Taranaki Club, but then beat them in all of the other three sports on the day - shot put, bowling and cards – to once

again win the coveted cowbell for the year. Thank you and well done to our Hamilton competitors.

Also a huge big thank you to the Wellington Club for all of your hard work in hosting this event. We all know how much time and effort such a function involves, and everyone from Hamilton appreciated your wonderful, generous and friendly hospitality.

We held our annual Fondue Evening on the 11th of May with a good attendance of over 140 adults and children. Many favourable comments were heard regarding the fondue mix and excellent variety of salads to go with the delectable cervelas ... we're glad you all enjoyed the meal, entertainment and company of fellow Kiwi-Swiss. Thank you to Ruedi and Lisette for grating all the cheese; the combination of cheeses was just superb!!! A BIG HUGE thanks to our committee and volunteers who did such a terrific job of greeting members, taking orders, preparing the fondues, dishing out the cervelas, running around after gas burners and bread, clearing tables and doing a multitude of dishes ... you're amazing people and we're so grateful to have you!!! A wonderful raffle was held with great prizes ... thanks Erna and Heidi for organising this. Many thanks to our incredibly talented musicians ... at one stage we had six accordion players with some percussionists ... how lucky are we?!!!! On the 17th of May the Singing and Music Group entertained the elderly residents of Stratford at the Stratford Catholic Church. This is always a great afternoon, with everyone enjoying the entertainment which Barbara Kuriger organises every month. It's wonderful to see people tapping their feet, clapping their hands and singing their hearts out when we play English tunes!!! Congratulations to Barbara and her great team for organising this for the Stratford community, and thanks to the Singing Group members who give up their time.

On the 19th of May we held our Swiss Society medals competition with the Swiss sports of keglen, steinstossen, shooting and jassen being competed for by adults and children. It was a great pleasure to see some new faces, mainly due to Helen Freiman and Jon Phillipps being up from Palmerston North and Armin Buhler and family

## Swiss Club News

... wonderful to see you all and hope you enjoyed your day. Unfortunately the wire broke pulling up the keglen balls which resulted in a bit of a delay ... thanks to the crew who temporarily fixed it and then to Remigi Zimmermann and Alby Dettling who manually put the balls on the ramp for the remainder of the day!!! Where there's a will, there's a way!!! Thanks to all the participants for their patience!!! 'Wally of the Day' went to Erna who scored a magnificent bulls' eye on her neighbours' target!!! Well done ... I certainly wouldn't have got a bulls' eye anywhere!!! Big thanks to everyone who participated, especially the juniors, and congratulations to the medal winners. Many thanks to Mark for organising the day; we appreciate all the effort you make!!!

From the 1st to the 3rd of June nearly thirty members of the Taranaki Swiss Club ventured south to Wainuiomata (headquarters of the Wellington Swiss Club) to participate in the final of the Cowbell Competition against Hamilton and to attend the Annual General Meeting of the Swiss Society of New Zealand. We all enjoyed a lovely informal evening with dinner on the Saturday, catching up with friends and making new acquaintances.

The Cowbell Competition finals started at 10.00am (after a very windy and wet night, we were lucky to have some fine snippets of weather to do the keglen and shot put). Taranaki had already won the shooting as the results are taken from the Swiss Society medals competition (many thanks to Helen Freiman and Jon Phillipps who nearly always shoot perfect rounds!!!), however that is, unfortunately, where our wins ended!!! Heidi Seifert and Lisette Benkert did very well in the jassen winning all their games, but the men couldn't emulate their success and the scores were now one all. A huge, big thank you to Erwin Hebler who travelled down the morning of the competitions to participate in the shot put, but even he could help us win against the muscly Hamiltonians!!! And the keglen also went Hamiltons' way, so sadly we handed the coveted Cowbell to our friends from Hamilton to look after for a year!!! Many thanks to all the participants, and heartiest congratulations to Hamilton on their success!!! After a lovely lunch, the serious business of the AGM of the Swiss Society took place. Thanks to some great work by the Hamilton members a new constitution was adopted (long overdue really, as parts

of the rules were nearly antique!!!). As Taranaki take over the reins of the Swiss Society next year (and, yes, we have BIG BOOTS to fill!), we had to nominate a Vice-president who should become President next AGM ... and many thanks to Othmar for volunteering (under duress!!) to do this job. I'm sure that we will find some dedicated people who will help us during our four-year tenure in this job ... so please, if anyone out there is interested in helping compile the Helvetia magazine contact Othmar on 06 278 6878 or Marianne on 06 762 8757. A delicious dinner of mixed salad, poulet gschnatzlets, oven rosti and red cabbage, topped off with a divine sorbet was served to us ... many thanks to members of the Wellington Swiss Club for tempting our taste buds all weekend ... you did a terrific job and everyone enjoyed their meals!!! Members of the Swiss Clubs enjoyed catching up with each other, listening to music and dancing ... always a great weekend to mix and mingle ... and without the Cowbell Competition the Swiss Clubs wouldn't interact so much. A wonderful weekend ... many thanks to Othmar for, once again, driving the bus ... it just makes the weekend so much nicer for many people who would perhaps not travel to the various Swiss Clubs otherwise. Thanks heaps, Othmar.

We welcome the following new members to our Club and Swiss Society and hope that you enjoy what our clubs have to offer. A big welcome to Richard and Lynley Wagner who moved to Hawera last year after working in Switzerland for many years. They have already proved to be a great asset, with Richard being part of our wonderful committee and both helping out at our recent Fondue Evening ... a great initiation!!! Richard has joined the Singing Group, and is coming to grips with the songs they sing, and Lynley is a very accomplished accordionist and helps us with entertainment ... thank you both for participating in so many of our various club functions and activities.

### Forthcoming Events

**July 27** Our Swiss National Day celebrations will be held at the Club house with our fabulous committee and helpers selling tickets ... so please purchase a ticket straight-away and attend this cultural evening with great entertainment, an amazing tombola and a culinary delight at supper!!!

**20** Small bore shooting recommences after the winter break too ... the Trudi Ott Belt and Championship Shoots can be shot from 1.00pm. Mark is always willing to coach, so come along and give it a go. Juniors are also most welcome to participate.

### Past Events

**Fondue 18 May 2019** – this was a great gathering, all focus on a delicious fondue prepared by the president Bernie Napp, assisted by the stirrers-in-charge, Peter Hynes and Paul Scherrer who, as it happened, shared the valuable knowledge of the previous chef's (Roland's) method of properly proportioning the cheese with the wine and the kirsch. Cooking a fondue for a bunch of your friends or the family is one thing, but preparing it for a big 50-odd hall full of people is a notch higher in the challenge department. Jeanine MacDonald and Gabrielle Saville also got stuck in with the preparation, others trickled in and lent a hand. Lovely cakes including a beautiful Aargauer Rueblitorte from Bernie were served. Moi, the mulled wine. Oliver had a video running on Swiss traditions and it was altogether a lovely evening. A big thanks to all who came along. And a big thanks to all those who helped with the dishes and tidying up.

For those who missed out on the fondue this time, fear not, we are doing one on

### Queen's Birthday weekend – Society AGM

Summer marked its definite end with wind, rain and cold, but this deterred no one from filling our club house with their warmth and companionship for our annual Swiss Society gathering. About 30 people came from Taranaki, 18 from Waikato, 6 from Auckland, and the hosting club was well represented by 16 members.

Glühwein was offered to the weary travellers, followed by lentil soup and Äplermagrone.

After a hearty Sunday breakfast, Hamilton and Taranaki faced each other for the prized Cowbell competition finals, and Hamilton proved the superior competitor and thus retained the Chueglogge for another year. Let's hope Wellington and Auckland offer a stronger challenge next year.

The Society meeting was well run by Hans Vetsch and secretary Anita Zuber. The minutes will report all.

While the dinner crew prepared a divine meal designed by Rahel Williams, I snuck away with my Auckland friends Pia and Stuart Knarston and daughter Franziska – people, the Wellington coast on a winter's day is something so exhilarating with its raw landscape, the wind and wide wild open sea!

Back in the cosy confines of the clubhouse we quickly warmed up and enjoyed the wonderful dinner of chicken à la Züri Gschnätzlets followed by chocolate brownie with plum sorbet and icecream, and lots of chats and entertainment. The cowbell was presented to the winner, and an invitation was extended by the president of the Auckland club Neil Kaiser to next year's meeting.

Thank you all for coming, especially Conny Street who crossed the Cook Strait on one of its roughest days.

For the wonderful musical presentations a special thanks to the singing group from Taranaki, for the luepfige Harmonica tunes by Peter Canziani, by Marianne Drummond and her ensemble, and to Othmar Hebler for his alphorn solo performance.

As a member of the committee I am proud to be part of such a capable and hard working group. Included in this must also be Trudi Brühlmann, Hans Scherrer, Peter Hynes, Gabrielle Saville, Odile Stotzer, Monika and Peter Canziani, and all the people who took their turn in the kitchen.

A special thanks to the contributors to the Tombola – Peter the Swiss Butcher, the Embassy of Switzerland, Trudi Brühlmann for the tickets and everyone who dropped in those pretty nick nacks which make such lovely mementos from a special weekend.
