NEW CD ROM

INSERTS

25 YEARS OF ARTISTS' BOOKPAGE PROJECTS FOR PARKETT

This CD presents for the first time a comprehensive survey of the signature INSERTS made by artists especially for PARKETT. Faithful to its core principle of working closely with artists, PARKETT has to date invited 75 artists to work directly with the format of the magazine and the offset printing process. The artists have each produced a series of original artists' pages, an ongoing study in the freedom within a book and in the rhythm and flow of the pages.

All INSERTS have been made available to readers around the world in more than 600 000 copies of PARKETT, thereby representing an unusually far reaching and enduring artists' project. PARKETT's INSERTS - unlike its well known artists' editions - have never been presented comprehensively before. A number of PARKETT issues containing INSERTS are out of print. This CD on all INSERTS coincides with PARKETT's 25th anniversary. A separate special deluxe edition of this CD comes with 34 original offset INSERTS in a custom made box.
