## Notes for Contributors

*Contributions* in English, Italian, French or German must be submitted to the Executive Editor, Peter J. Schulz, Università della Svizzera italiana, Via Giuseppe Buffi 13, CH-6900 Lugano, Switzerland ([Peter.Schulz@lu.unisi.ch](mailto:Peter.Schulz@lu.unisi.ch)).

*Manuscripts* must be typed double-spaced *throughout* with a 5 cm margin (= 2 inch), including all quotes and the Notes and References sections, on one side of standard A4 or US letter size paper. All pages must be numbered. The first page contains title, the author's full names and affiliation and the mailing and email addresses. The second page should contain an abstract of about 150 words and up to 6 index keywords not contained in the title. In addition to the paper copy an electronic version of the manuscript must be submitted in either Microsoft Word or RTF format.

*Quotations* in the text should be enclosed in "double quotation marks". Use 'single quotes' only within double quotes. Words from other languages, and word intended to be especially emphasized, should be italicized (underlined).

*Footnotes* should be identified in the text by superscript numbers. Hyperlinks are acceptable in the text and footnotes.

*References* should be indicated in the text by the name of the author(s) and the year of publication according to the following examples: "... as mentioned by Jakobson (1972)"; "... as has been argued (Jakobson 1972: 34-38)". "Several authors have noted this trend (Smith 1970; Jones and Cook 1968; Dobbs et al. 1973)". The abbreviation "et al." should be used for references with three or more authors. For References to two or more papers by the same authors in the same year, the year should be followed by a letter (a, b, c, etc.).

*Reference section.* All works cited in the text must be listed alphabetically according to the first author in a Reference section at the end of the manuscript. References to books should include the place of publication and the publisher's name, and references to articles in journals should include volume and page numbers, as in the following examples:

AUSTIN, JOHN L. (1962). How to do things with words, Cambridge: Harvard U. Press.

KASHER, ASA (1991). On the pragmatic modules: A lecture. *Journal of Pragmatics* 16: 381-397.

KRIPKE, SAUL (1991). Speaker's reference and semantic reference. In: GARFIELD, J. & KITELEY, M. (eds.). Meaning and Truth. Essential Readings in Modern Semantics, New York: Paragon House.

MARTIN, B. & ETZKOWITZ, H. (2001). The Origin and The Evolution of the University Species, *Journal for Science and Technology Studies*, 13, 9-34.

BALTHASAR, A.; REGER, G.; BÄTTIG, Ch. & BÜHRER S. (1997), Evaluation der schweizerischen Beteiligung an den FTE-Rahmenprogrammen der Europäischen Union, Bern 1997.

*Tables* must be numbered consecutively with Roman numerals and titled, and must be referred to in the text. Each table should be typed, doublespaced, with due regard for the proportions of the printed page. Footnotes to tables should be identified by superscript letters and placed at the bottom of the page containing the table.

*Copyright.* Authors normally assign the copyright to the publisher. Authors who wish to own the copyright should place, at the bottom of their paper: "Copyright © Year, Name of author(s)." In this case the publisher owns the right to "store and serve" the paper in the Journal's archive.

*Galley-proofs* will be sent for correction to the corresponding author.

*Offprints.* 25 offprints of the papers will be sent free of charge to the corresponding author.
