Uebersicht

über den

Stand der Bürgergüter im Kanton Bern

auf

31. Dezember 1885.

Vorbemerkung.

Nachstehende Tabellen enthalten die Zahlenangaben über die allgemeinen Nutzungsgüter und Spezialgüter mit ausschliesslich burgerlicher Zweckbestimmung. Es erscheint demnach auf ihnen nicht nur das Vermögen der selbstständig organisirten Bürgergemeinden und besonders burgerlichen Korporationen, sondern auch dasjenige der Burgerschaften der gemischten Gemeinden (§ 69 Gemeindegesetz), insofern es vom kommunalen Vermögen ausgeschieden ist und jetzt den Charakter von reinem Bürgergut hat; ferner erscheint auf nachstehenden Tabellen das Nutzungsvermögen der in einigen Amtsbezirken noch vorkommenden armen Burgerschaften, das gänzlich unter der Verwaltung der respektiven Einwohnergemeinden steht, weil jene keine selbstständige Organisation haben. Endlich ist auch das Vermögen einer Anzahl Bäuertgemeinden des Oberlandes aufgenommen, welche den Charakter von Nutzungskorporationen haben. Dadurch soll jedoch der Frage über die eigentliche rechtliche Natur dieser Korporationen und ihrer Güter nicht präjudiziert sein.

Die selbstständig organisirten und administrirenden burgerlichen Korporationen sind auf den Tabellen numerirt.

Ueber den Stand der burgerlichen Armengüter vergl. vorstehende Tabellen.
