## Acknowledgements

This volume developed from the biennial meeting of the Swiss Association for North American Studies (SANAS), which took place on 2-3 November 2018 at the University of Lausanne. We wish to express our gratitude for her support and confidence to Agnieszka Soltysik Monnet, conference co-organizer, esteemed colleague, and dear friend. This volume is dedicated to her.

We are grateful to the following sponsors and partners of the conference for making the event possible: the University of Lausanne, SANAS, the Swiss Academy of Humanities and Social Sciences, the Swiss Association of University Teachers of English, the European Association for American Studies, the Embassy of Canada to Switzerland, and the US Embassy in Switzerland and Liechtenstein. We extend our gratitude to our keynote speakers Deborah Madsen, Ronald Schleifer, and Linda Williams for their stimulating talks and scholarly direction. We also warmly thank all the conference participants and the contributors to the volume; their scholarship and friendly help made it all happen. Finally, we thank all the volunteers who helped us run a smooth and enjoyable event. Special thanks to Leila Benallal for the creation of the conference poster and the elegant artwork for this volume's cover.

In addition to the authors whose inspired work appears in this volume, we wish to thank all the gracious individuals without whom it could not have seen the light of day: Alexandre Fachard, our copyeditor, for his invaluable work; our colleagues who participated in the peer-review process; Martin Heusser for the cover design; and our General Editors Ina Habermann and Lukas Erne for their support.
