Murphy V290CA 21 in. giant screen, turret tuned luxury console with 'tambour' front which rolls out of sight when viewing. With line diffuser and automatic picture control. £159.0.0.

We're always extra pleased when a customer finally decides on a Murphy T/V because we know that besides getting a picture and performance which are second to none, he is also making a worthwhile investment in lasting satisfaction.

"That's all very well" you may say, "but how can I tell it's the truth?"

Well, good design and workmanship can always speak for themselves, so:—

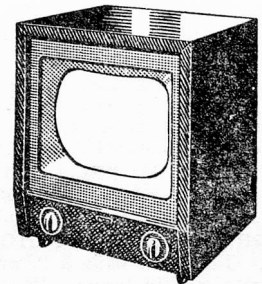

Before making your final choice of a T/V set ask to have the back removed so that you can see inside — and make sure you see inside a Murphy, too.
