ANNUAL GENERAL MEETING OF THE SWISS CLUB BALLOCH.

The annual general meeting of the Swiss Club Balloch, took place on Friday, 27th April, 1956, in the canteen of the British Silk Dyeing Co. Ltd., in Balloch.

At 7.30 p.m. the President, Mr. H. Berli, opened the proceedings and after a few words of welcome, gave a short report on the past years happenings. The Secretary then read the minutes of the last A.G.M. which were approved with acclamation, after which the Treasurer presented his accounts which closed the year with a deficit. This called for a discussion as to the possibility of raising the annual subscription. On the proposal of the committee it was decided however to wait another year, and to see how things worked out in the coming twelve months.

The programme for the coming year was then fixed as follows:

1. Dinner in Glasgow in Autumn.
2. Filmshow in Winter.
3. Shooting competition next Spring.

The proposal to have, when possible, an occasional "Jass-Abend" during the winter, was also adopted.

The President then took the opportunity of taking leave of Mr. and Mrs. Naef on the occasion of their departure for Berlin. He thanked Mr. Naef, "Swissair's" manager in Scotland, for the services he had rendered to the Club during his stay here, and wished him and Mrs. Naef every good fortune in his new sphere of activity. At the same time he was happy to welcome his successor, Mr. A. Weber, and expressed to him the hope that he would find Scotland as congenial as his predecessor. Mr. Naef replied saying how sorry he was to leave Scotland and the many friends he had made here. Our Consul, Mr. E. Hofstetter, also wished Mr. and Mrs. Naef Godspeed.

After an unanimous vote of thanks to the Committee, proposed by the Hon. President, Mr. E. Hofstetter, the meeting was closed at 8.30 p.m.

A high tea, ably served by the canteen staff, led to the social part of the evening, during which the prizes for the last shooting-competition were handed out, and it was late hour when everybody regretfully parted.

VISIT OF PROFESSOR AND MADAME INEBNIT, LEEDS.

A most enjoyable evening indeed! That was the unanimous verdict of all members who attended on Friday the 4th May, 1956, the Lecture given by Professor J. P. Inebnit to our Club.

Our President Mr. Frick, assured the speaker that we were all delighted to learn about a month ago, of his forthcoming visit to Dunfermline. He accorded Madame and Professor Inebnit a most hearty welcome on behalf of the Swiss Club, Dunfermline.

A special welcome was also given to our Honorary Members, Consul E. Hofstetter and Mr. W. O. Bosshardt and also to Mr. Habluetzel who was with us for the first time.

Professor Inebnit talked to us about his "Constructional work in the International Field". Very soon it became clear to us that the retired Professor is working as hard as ever, devoting his full energies to the aid of the most unfortunate people in need either at home or abroad. Thanks to his initiative, he has been able to find enough volunteers at home and abroad to carry out very big relief work in Wales and in Holland during the last few years. Further schemes are already under way in Austria where Professor Inebnit has found appalling conditions amongst the displaced persons.

We sincerely hope that the good work done by Professor Inebnit will one day be fully recognised by all people. May the United Nations and our Home Country in particular, give their full support to such a noble scheme.

The Lecture by Professor Inebnit was replied to by both Mr. Frick and Consul E. Hofstetter.
