numerous to be enumerated here, but I will mention Miss Diana Mason with her "Tramella" and Miss Sheila Wilcox with her "High and Mighty".

To end this report I will just add that last year, before her continental tour, Miss Pat Smyth entrusted the training of her horses to Captain Goldman. This is indeed a testimony as Miss Pat Smythe surely knows what is best in equestrian work.

**VISIT OF BERNER YODLERKLUB AND LAENDLERKAPELLE BRIENZER BURLI.**

This year, as in 1950, the Berner Jodlerklub are competing again at the Welsh International Eisteddfodd which will take place at Llangollen next month. They will be accompanied by the Laendlerkapelle Brienzer Burli.

During their stay in this country two concerts have been arranged, one in London and one in Folkestone, in order to give the members of the Swiss Colony an opportunity to hear them.

The concert in London has been fixed for Sunday, July 15th, at 7.30 p.m. at the Assembly Hall, Walthamstow, whilst they will appear at Folkestone on Sunday, July 8th.

A very attractive programme will be presented, and we hope that many of our readers will take this opportunity of attending one these two performances.

Pictures like this that can't be posed—the living, breathing, moving happenings that make the best pictures of all can only be taken with a cine camera. And the beauty of it is that cine films are far from expensive. With this Bolex B8 you can take 24 or more good length action sequences for just over £1, including processing charge. At under 11d. a shot this compares very favourably with ordinary still photography. See the Bolex B8 at any good photo shop. Note its precision construction—so vital in a cine camera. That's because it is made in one of the great watch-making centres of Switzerland.
