DO YOU KNOW DURRENÆSCH?

Opened more than five years ago, the "Home" at Dürrenæsches for Swiss people living abroad is now very popular, and compatriots from all over the world have been staying there.

Situated on the idyllic wooded hills between the Wynen and the Lake valley of Hallwil, in Canton of Aargau, Dürrenæsches offers a unique opportunity to the Swiss people living in foreign countries, who so wish, to maintain and strengthen their contact with their fatherland.

Dürrenæsches is a real, welcoming pied-a-terre in the homeland, and it is intended not only as a holiday centre, but also to help further the feeling of solidarity amongst our countrymen through the many and varied services which it is capable of rendering.

In this respect, it is important to know that this "Home" is not just an hotel where one can take one's annual holiday at an advantageous price. It is much more than that. It creates the necessary contact between Swiss nationals abroad and the land of their fathers, by arranging a new type of holiday in a typical Swiss village.

This contact, a rediscovery of our homeland, is often longed for by Swiss people living abroad, particularly the younger ones.

In addition to plenty of free time during which each guest may do as he pleases, he could be asked to con-

tribute his share in the work involved in sustaining the "Home".

As our readers may already know, the standard all-in price consists normally of making a small cash payment per day, and co-operation, under skilful guidance, in the running of this self-supporting establishment. Jobs include housework, gardening, agriculture, forestry, maintenance of buildings and furnishings, etc.

The "Home" is ready to assist its guests in planning their free time, and in the study of languages, Swiss customs, sports, national pastimes, lectures, and it also encourages light entertainment. This is why Dürrenæsches makes it possible for all Swiss nationals abroad who intend returning to their homeland, temporarily or permanently, to renew or take up cultural and human relations with their native country without having to worry about the financial aspect.

The main goal is to inspire all guests with a friendly and patriotic spirit of solidarity and a strong feeling for their homeland.

Further information and illustrations regarding the "Home" will be found on pages 49852 and 49853.
