The George Fischer Group

There's more to Le Bas than tubes...

In the last decade, expansion and diversification have been such that the name LE BAS TUBE COMPANY, by which we have been known for close on fifty years, no longer reflects the true extent of our activities.

Out of one company we have formed two companies . . .

In one of these, GEORGE FISCHER SALES, are grouped the divisions of Le Bas which market **GF** brand products . . . pipe fittings in malleable iron and plastics, pipefitters' equipment, and other agencies and services of the George Fischer Group.

By its title, the new company will be more closely identified with its associates . . . in the UK, George Fischer Castings at Bedford and George Fischer Plastics at Huntingdon . . . and in Europe, George Fischer Limited of Schaffhausen, Switzerland, and other member companies of the **+GF+** Group.

Our other company, which retains the name LE BAS TUBE, will continue and develop our steel tubes business.

Both companies operate from existing Le Bas premises, and share the same telephone and telex numbers.
