Well, here are the 273 Swissair offices all over the world. And you really should add our 129 airline partners, such as British Airways. And the more than 24,000 IATA travel agencies.

At all of these places you can book a Swissair flight if you want to.

The 83 destinations served by regular Swissair flights are marked with an asterisk* above - in case you'd rather see some advertising after all.

Subject to change without previous notice.
