BASEL REGIO TICKET

The Basle Transport Undertakings are issuing a “Basel Regio Ticket” in conjunction with the Swiss Federal Railways, the Swiss postal coach system, the Baselland Transport AG, the Basel Passenger Navigation Company and the Waldenburg Railway. This attractive ticket entitles the holder to travel at will on all services of these transport undertakings – a total of nearly 80 miles – on the day of validity. It is particularly suitable for day excursions and one example is as follows: travel by Swiss Federal Railways to Liestal, then by narrow-gauge railway to Waldenburg and from there by postal coach to Langenbruck. After a two-hour walk via Helfenberg and Wasserfallen to Reigoldswil, take the Baselland Transport bus back to Basle. The Basel Regio Ticket costs Sw.Fr. 12 for adults and Sw.Fr. 6 for children from 6 to 16 and is obtainable at the major sales points of the transport undertakings concerned.

IN THE FOOTSTEPS OF GUYER-ZELLER

Adolf Guyer-Zeller, owner of a factory in Neuthal, was a man who loved walking in the mountains. To enable his factory workers and their families to enjoy the beauty of the local countryside at closer range he had a system of footpaths made. After his death in 1899 the paths gradually fell into disrepair and restoration work was needed so that they could again be used without danger. Thanks to a collection organized by the Bauma Tourist Office which brought in Sw.Fr. 150,000, the paths seem to have been saved. Totalling nearly 20 miles, they lead through charming and peaceful countryside from the Pfäffikersee via Hittnau, Neuthal and Bauma to Wila in the Tösstal. The routes are full of variety; through shady glens, past waterfalls, across narrow bridges, up steep steps and down over gentle meadows. The area is easily reached by road, rail or postal coach.

TWO NEW SHIPS ON THE LAKE OF ZUG

The navigation company operating on the Lake of Zug has two new vessels ready for passengers this summer. The other vessel, the M/S Zug, which takes 420 passengers, is expected to be ready for service on 19th August. The evening round trips on the Lake of Zug are popular. They will take place every Wednesday (Thursday if weather bad) from 14th June to 20th August.
