The "HO" layout Isenthal appeared at the Newcastle show, where we managed to sign up a couple of new members. Although not all the members in the North East are able to attend meetings in Blyth, we have been able to make contact with members throughout the region. The 'Swiss Section' also manage to operate various 'alien' layouts (G'W.R. U.S.A. and Scotrail) at shows throughout the North East. If anybody is visiting a North Eastern show spots a layout being operated by the Blyth 61172 Association, please introduce yourselves as either Dave Ford or I should be in attendance. Ernie Brack, 10 Tern Close, South Beach, Blyth, Northumberland.

Mr P.F. Savery. (Mem No 0G69) of 10 Nerine Street, Kingston, Queensland. 4114. Australia would like to hear from any members from within Australia and New Zealand who would be interested in forming a group. Clubnight visits would be optional!

Mr D. Elliott of 3125 Qu'appelle St, Victoria, British Columbia. V9A 1V5 Canada, would like to know if anybody has photos etc of the town behind the FO/RhB station at Disentis, including the Benedictine Monastery. These are required to create the background to the "HOM" scale layout of that town.
