JUST A SEC - Roger Ellis

'NORMAN STANLEY FLETCHER' alias David Baker-Manchester Branch

"Norman Stanley Fletcher (David Baker), you have been found guilty of volunteering to become the archivist to the Society. Over the coming months you will be able to reflect on the seriousness of your crime whilst away from your loved ones, alone in front of your PC and scanner. I hope in future you will reflect on today's verdict". Judge Roger Ellis

The Committee of the SRS is very grateful to David for agreeing to undertake this task. It will not be easy and will be time consuming. When finished, we may be able to benefit members by offering a retrieval service from the archive if they are interested in a particular aspect of Switzerland or its transport system. I cannot guarantee that this will be possible or give a time scale. I will ask David to update members on his progress in a future issue of the magazine.

I also thank the other members who offered their services, it is much appreciated.

Now Then Guys and Gals

One of my fellow Train Managers calls me Jimmy Savile! Never been known to smoke a cigar or wear a colourful shell suit, but my hair is silver. (Dyed from jet black to make me look sophisticated).

This is to let you know what to look for at the AGM in Derby. Most of the Committee will be there, and would like to meet as many of you as possible. Most of us don't bite, and we need to know from you how the Society, or the things that we do, could be improved. We won't mind if you compliment us either.

Please support the event, and I look forward to seeing you there.
