TEE Old Slides

The editor recently received a selection of images scanned from old slides from Hansruedi Plüss, who is not a member of the SRS. He acquired the slides, and thought they may be of interest to the Society. They were not of the best quality and the resolution was quite low, but here are a few of the TEE pictures, trains that don't feature that often in *Swiss Express*. Captions have been interpreted from the image file name so may not be quite correct. +

1. A TEE train at Franse, France, in May 1987.

2. On a cold January day in 1979 a train passes Wassen.

3. In June 1978 an Re 4/4^{II} hauled 4 coach train passes Bex.

4. An Re 4/4^{II} hauled 5 coach set stops at Montreux in April 1976.

5. A short TEE set at Lausanne.

6. An Re 4/4^I hauls a train through the Autumn colours of the Gorges de l'Areuse in 1977.

7 & 8. Two views as a Re 4/4^I hauling a train of mixed stock through Gümmenen in May 1979.
