Ivan Rodrigues from the STC writes:

By the time SRS members read this article, STC together with our partners Switzerland Tourism and Brienzer Rothorn Bahn will be working hard on Snowdon Mountain Railway offering free rides from Llanberis to Waterfall Halt and back. If you fancy getting close and personal to the BRB loco, why not come along? This event will take place throughout September.

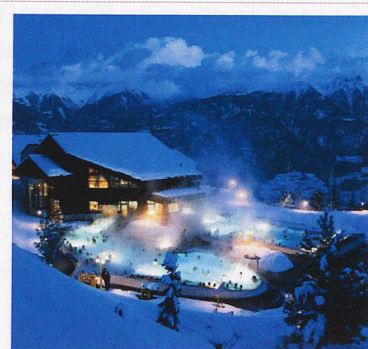

For 'The Bernina Monster' (steam powered snow blower train) during the weekend of 8th February 2019, STC has a limited number of places. Be sure to book now as it is first come first served. For further information on this special package which includes flights, transfers, hotels (min stay 3 nights) and the Bernina Monster please speak to one of our specialists on 020 7420 4900.

STC has received news of some important changes to the Swiss Travel System product range from 1st January 2019.

Firstly, the Swiss Transfer Ticket (ticket from airport/border to resort and back) will be discontinued. If you are planning to travel to Switzerland between January and March next year, you must purchase your Swiss Transfer Ticket no later than 31st December 2018. Secondly, mountain excursions will no longer be included in the Swiss Travel Pass with the exception of Rigi Bahn. Those mountain excursions that were included this year (Schilthorn, Stanserhorn and Brunnli) will revert back to offering 50% reduction. Finally the transport committee that agree on pricing, product range and areas of validity have decided the Swiss Travel Pass/Flex will increase by 5%. Whilst we have no control on these modifications, STC is committed to offering our customers the best deals when travelling to and around Switzerland. We regularly offer attractive packages with free 1st class upgrades or free night accommodation throughout the year. Speak to one of our Swiss specialists and let them help you plan your next holiday at the best and affordable price.
