Report of the Statutory Auditors.

Report of the statutory auditors to the Members' Meeting of Switzerland Tourism, Zurich.

As auditors, we have audited the accounting records and the financial statements (balance sheet, income statement and notes) of Switzerland Tourism for the year ended 31 December 2006.

These financial statements are the responsibility of the Board of Directors. Our responsibility is to express an opinion on these financial statements based on our audit. We confirm that we meet the legal requirements concerning professional qualification and independence.

Our assessment is based on the comprehensive audit carried out by PricewaterhouseCoopers AG and their report as delivered to the auditors.

Their audit was conducted in accordance with Swiss Auditing Standards, which require that an audit be planned and performed to obtain reasonable assurance about whether the financial statements are free from material misstatement. They have examined on a test basis evidence supporting the amounts and disclosures in the financial statements. They have also assessed the accounting principles used, significant estimates made and the overall financial statement presentation. They believe that their audit provides a reasonable basis for their opinion.

In our opinion, the accounting records and financial statements comply with Swiss law, the statutes and the accounting principles described in the notes.

We recommend that the financial statements submitted to you be approved.
