INTIMACY

The term has been chosen to designate all fabrics specially created for house-gowns, tea-gowns or deshabillés, or for unusual garden or beach costumes, such as one would wear at home in the country or for friendly evening gatherings.

Here, designers have let their imagination run riot... Vivid colourings : brilliant orange, bright green, luminous yellow, royal blue.

In this domain, colour reigns supreme...

Yet another interpretation of the theme « music », but how different a one ! A plunge into the abstract...

A visual transposition of the emotions and ideas music awakens...

This collection includes a wide range of embroidered silk muslins, embroidered nets, silk organzas and voiles.

Here, for instance, a design of white embroidered lyres on white ground.

There, a pale grey silk thread traces a dream-like fantasy over a pale orange silk muslin, worthy of the « Arabian Nights ».

Hindu musicians — in a woven Jacquard ! The design is reminiscent of the delicacy of Persian miniatures, but the colourings are most boldly modern.
